

FOR INFORMATION PURPOSES ONLY. Under the authority of 10 U.S.C. 2304(c)(1) implemented by FAR 6.302-1(a)(2) and in accordance with Defense Federal Regulation Supplement (DFARS) Procedures, Guidance, and Information (PGI) 206.302-1(d), this is a request for information regarding the use of brand name ingredient products for the vinyl paint systems as specified in the Whole Building Design Guide's (WBDG) Unified Facilities Guide Specifications (UFGS) Division 09 97 02 Painting: Hydraulic Structures specification.

The United States Army Corps of Engineers (USACE) intends to require the brand name products which have unique specifications that meet the user's stringent requirement for the vinyl paint systems.

USACE is seeking feedback on the use of this brand name requirement for an upcoming solicitation.

Ingredient	Product	Manufacturer
Titanium Dioxide	Kronos 2160	Kronos, Inc.
Titanium Dioxide	Kronos 2101	Kronos, Inc.
Titanium Dioxide	Ti-Pure 960	E.I. Dupont DeNemours and Co., Inc.
