The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

All Contractor Specific Terms referencing customer indemnities are hereby rejected.
29. **Contractor Indemnities.** All Contractor Specific Terms that violate the U.S. Department of Justice's jurisdictional statute (28 U.S.C. § 516) by requiring that the Government give sole control over the litigation and/or settlement to the Contractor are hereby rejected. 30. **Renewals.** All Contractor Specific Terms that provide for automatic renewals violate the Anti-Deficiency Act and are hereby rejected. This is an obligation in advance of an appropriation that violates anti-deficiency laws (31 U.S.C. § 1341 and 41 U.S.C. § 6301).
31. **Option to Extend the Term of the Order.** The following clause applies if option periods have been identified in the Order.
 - (a) The SAA may extend the term of this Order by written notice to the Contractor during the period of performance of this Order; provided that the SAA gives the Contractor

(b) If the SAA exercises this option, the extended Order shall be considered to include this option clause.

32. **Recovery for Fraud.** Notwithstanding any terms in this order, including clauses in the Contractor Specific Terms, nothing shall impair the U.S. Government's right to recover for fraud or crimes arising out of or related to this order under any federal fraud statute, including the False Claims Act (31 USC 3729 to 3733). Furthermore, no clauses shall impair nor prejudice the U.S. Government's right to any express remedies provided under the order or applicable federal law.
33. **Warranty.** The Contractor represents and warrants that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this Order. In the event that the terms of the Contractor's standard commercial warranty conflict with the warranty terms contained in this clause, the terms of this clause will govern this Order, unless some other resolution is specified in the award document.
34. **General.** All communications pertaining to contractual and/or administrative matters under this Order should be addressed to Acquisitions@saa.senate.gov. This Order and any written modifications constitute the sole agreement between the Senate and Contractor relating to the subject matter hereof, and supersedes any other understandings, writing, proposals, representations, or communications, oral or written, of either party.
