

U.S. Coast Guard Great Lakes Oil Spill Center of Expertise (GLCOE)

FY26 Funding Opportunity - \$250,000 max for each award

Background

The Great Lakes region, under the jurisdiction of the 9th Coast Guard District, is a uniquely challenging environment for oil-spill preparedness and response. The mission of the GLCOE is to empower responders with innovative tools, cutting-edge strategies, and advanced training to protect the Great Lakes. Join us in this mission by exploring our research funding opportunities related to:

- Freshwater Oil Spill Preparedness
- Freshwater Oil Spill Response
- Alternative Response Measures in Freshwater
- Fundamental Freshwater Oil Spill Science and Response Technology Research

Important Dates

Published: February 21st, 2025

Closing: 12:00pm EST on March 31st, 2025

Any questions in response to the FY26 Funding Opportunity are due by 12:00pm EST on March 7th, 2025.

Non-Federal Partners

BAA Number/Notice ID: 70Z02326RBAAGLCOE
Title: Broad Agency Announcement Freshwater Oil Spill Preparedness, Response, and Science Research Part III
NAICS Code: 541715 – Research and Development in the Physical, Engineering, and Life Sciences

1. Click on the BAA Link - [SAM.gov](https://sam.gov)
2. Use the attachments listed on SAM.gov to write a white paper or technical proposal.
