SUBJECT: Request for Proposal – Hanscom Air Force Base Building 157 Engine Exhaust Silencer Replacement

1. This is a Request for Proposal for a Firm Fixed Price contract for the Hanscom Air Force Base Building 157 Engine Exhaust Silencer Replacement.
2. The intent of this contract is to procure two engine exhaust silencers, exact fit, in accordance with the specs on the SOW (attached), four 14 inch ANSI flange gasket kit (see attached SOW for specs), and two rain caps (see attached SOW for specs).
3. The CLIN structure will be as follows: CLIN 0001 - All product listed in Statement of Work.
4. Proposal must be received by contracting no later than 4:00 PM, 7 March 2025.
 - a. Please prepare your proposal according to the following requirements.
 - b. Contractor shall submit completed pricing data for all items listed on the bid schedule/ SOW.
 - c. The Contractors proposal will be evaluated based on these factors:
 - i. Active/current SAM Registration – Provide company's CAGE/DUNS or copy of SAM registration to show certification under the appropriate NAICS.

- ii. Overall SOW Technical Understanding – Provide a technical understanding of the overall technical requirements identified in the SOW.
- 5. This is not a direction to proceed with the efforts as described in the RFP. That direction, if authorized, will be in the form of contract award.

Please provide an electronic copy of your proposal via email to the Contract Specialist and Contracting Officer at the addresses provided below.

- If you have any questions or require additional information, please contact Ryan Wang at
- 6. ryan.wang.1@us.af.mil or the Contracting Officer, Eva Leavitt at eva.leavitt@us.af.mil.
