

NOTICE OF INTENT FOR INFORMATIONAL PURPOSES ONLY. Under the authority of FAR 6.302-1, the U.S. Army Corps of Engineers, Norfolk District, intends to procure, on a sole source basis, the component identified below in support of the upcoming construction project. The supported construction project consists of components that USACE requires for a specific systems product line. The manufacturer's product has unique capabilities that meet the user's stringent requirements for top-quality secure requirement and maintains compatibility with existing systems.

The company listed in the table below is the only manufacturer in the industry that produces components to meet required specifications and warranty, as well as able to maintain compatibility with existing systems. Due to the unique operational requirements, the user requires a homogeneous system that reduces the risk to compatibility/interoperability with existing systems already tested and in use.

The following items below shall be covered under this Justification and Approval documentation (J&A):

Manufacturer	Description
Process Combustion Corporation	2-Staged Combustion System and Wet Air Pollution Control System

All potential responsible sources may submit a response, which if timely received, will be considered by the agency. THIS NOTICE OF INTENT IS NOT A REQUEST FOR COMPETITIVE PROPOSALS. It is a market research tool being used to determine the availability of other qualified sources that can meet the requirements identified above. The Government is not obligated to and will not pay for any information received from potential sources as a result of this notice of intent.

This Notice of Intent is hereby published in accordance with FAR 5.201. A determination by the Government not to compete the elements of the project listed in the table above based upon responses to this notice is solely within the discretion of the Government. Information received will normally be considered solely for the purpose of determining whether to conduct a competitive procurement.

The Norfolk District will consider any responses to this notice received within fifteen (15) calendar days of the posting of the notice. Responses may be submitted via email to philip.d.mathews@usace.army.mil, copy to Ekaterina.oxley@usace.army.mil
