

Synopsis of BPA Call Order Exceeding \$25,000.00

Requisition 1146069

The USDA Forest Service (FS), Procurement & Property Services (PPS), Northwest Zone, Contracting Service Area #1, is issuing this synopsis in accordance with USDA's policy in the Contracting Desk Book, SUBPART 413.3—SIMPLIFIED ACQUISITION METHODS, 413.303 Blanket Purchase Agreements (BPAs).

The USDA's Contracting Desk Book states the following: "BPA calls over \$25,000 require synopsis to the government point of entry, even if a synopsis was done at the BPA level. Exemption at FAR 5.202(a)(11) does not apply."

The USDA FS intends on awarding a BPA Call Order against multiple award BPAs titled Road Maintenance.

The BPAs for Road Maintenance are located at USDA's Contract Portal.

North American Industry Classification System (NAICS) code assigned to this acquisition is 237310.

There is not a solicitation. This synopsis notification of intent to award a BPA Call order does not constitute a Request for Quotations (RFQ). Submission of any information in response to this notification is purely voluntary; the government assumes no financial responsibility for any costs incurred.

BPA Call will be based on fixed prices as established per BPA and the discounts received. BPA Call 1240BK25F0009 has been created and will be submitted for approval on February 25, 2025. The award amount will be \$40,904.55. Award will be made to Agness Co.
