1. Nature and/or description of the item/service being procured and its intended use (include the anticipated cost):

Purchase of Light poles

2. Sole Source Justification rationale (Check one and explain below):

☒ **Only one responsible source.**

☐ **Urgent and compelling circumstances exist.** Include critical delivery or performance dates, and when you became aware of the requirement. Provide a specific statement of the impact on Government operations, financial or otherwise, if the required delivery or performance dates are not met. _____

Other _____

Explain: In 2016 the Gateway Arch National Park underwent a massive redesign. During that construction portions of the park grounds were redesigned. This was to include the Light poles on site. The Light poles were specifically designed and procured from a company called VillaLighting. These Light poles can only be purchased from this company due to the specific design and color. We are looking to do a sole source contract for that reason.

3. Market Research. Please explain the results or why one was not performed. State whether any other offers were received or anyone expressed interest:

These Light Poles were specifically designed for the National Park Service and have a specific design and color coating that only Villalighting can supply.
