Special Notice

DESCRIPTION

The VA Maryland Health Care System requires full-service coverage of the Stryker Neptune 3 Rover aspirators and Stryker Neptune docking stations that are utilized at the Baltimore VA Medical Center. This service coverage includes replacement parts, repairs and scheduled preventive maintenance in accordance with the manufacturer's recommendations to ensure that the equipment is properly maintained.

Dear Valued Customer,

Stryker Instruments is the original equipment manufacturer and sole service provider of the following products:

0703-001-000	Neptune® 3 Rover (120V)
0703-001-000U	Pre-Owned Neptune® 3 Rover (120V)
0711-001-000	Neptune® S Rover (120V)
0702-014-000	Neptune® 2 Docking Station (120V)
0770-100-000	Neptune® Smart Docking Station (120V)
0703-045-000	SafeAir® Compact Smoke Evacuator

Stryker is the sole service provider for all Neptune® Waste Management and SafeAir® Smoke Evacuation products. Only specially trained ProCare® Technicians are certified by Stryker to perform the service and scheduled maintenance on these products.

Stryker remains committed to the highest standards of safety, quality and performance of its equipment and approved accessories. If you have any questions regarding your device, please contact your local Stryker Sales Representative.

Sincerely,

ProCare Services
