

DEPARTMENT OF VETERANS AFFAIRS

**Justification for Single Source Awards IAW [FAR 13.106-1](#)
For
Over Micro-Purchase Threshold but Not Exceeding the SAT (\$250K)**

Acquisition Plan Action ID: 36C263-24-AP-5171

- 1. Contracting Activity:** Department of Veterans Affairs, VISN 23, Central Iowa Medical Center at 3600 30th St. Des Moines, IA 50310-5753. The purchase request number is 636-25-3-3278-0007.
- 2. Brief Description of Supplies/ Services required and the intended use/Estimated Amount:** Maintenance, repair, and replacement parts of Carl Zeiss Meditec eye equipment for Central Iowa VA Health Care System. The estimated amount is \$122,433.72.
- 3. Unique characteristics that limit availability to only one source, with the reason no other supplies or services can be used:** ProAim is the only authorized distributor, repair, and maintenance company allowed to perform required contract services. An email has been uploaded, into eCMS, from Zeiss confirming this. It's recommended this contract be sole sourced to ProAim due to the market research and the email we received from the manufacturer.
- 4. Description of market research conducted and results or statement why it was not conducted:**

315 registered SDVOSB/VOSB from the VetCert search site. None of the 315 registered SDVOSB/VOSBs are authorized Zeiss providers.

After the SAM posting 36C26324Q1226, closed, we only received two responses. One from The Remi Group a large business and the other from ProAim, LLC a small business. ProAim LLC was confirmed to be the only authorized small business provider for Zeiss supplies and services.

The NMR, or BAA, does not apply to this requirement, because it is a service contract. Based on this, the requirements for an SDVOSB/VOSB set aside cannot be met.

A sole source solicitation to small business Proaim offers the best value to the VA. An email from Proaim, stating they are the only authorized distributor, repair, and maintenance company allowed to perform said contract services. The OEM Zeiss confirmed this.

- 5. Contracting Officer's Certification:** *Purchase is approved in accordance with FAR13.106-1(b). I certify that the foregoing justification is accurate and complete to the best of my knowledge and belief.*
