**Justification and Approval
For Sole Source - FAR 13.501**

1. Contracting Activity: 925th Contracting Battalion, Fort Drum, New York, deployed in support of Joint Task Force Southern Border mission with contracting oversight from Field Directorate Office-Fort Sam Houston, Fort Sam Houston, Texas.

2. Description of Action: The 89th Military Police Brigade requests a firm-fixed-price contract with Marine Lodge Miramar (CAGE Code 35AY6), located on Marine Corps Air Station Miramar, 19920 Schilt Avenue, San Diego, CA 92145. The Government projects award for April 2025 and fiscal year 2025 Operation and Maintenance, Army funds will be used.

3. Description of Supplies/Services: Lodging and Conference Room Services.

Period of Performance

Base Period:	09 APR 2025 to 08 OCT 2025	Value: \$ 986,815.98
Option 1:	09 OCT2025 to 08 NOV 2025	Value: \$ 164,469.33
Option 2:	09 NOV 2025 to 08 DEC 2025	Value: \$ 164,469.33
Option 3:	09 DEC 2025 to 08 JAN 2026	Value: \$ 164,469.33
Option 4:	09 JAN 2026 to 08 FEB 2026	Value: \$ 164,469.33
Option 5:	09 FEB 2026 to 08 MAR 2026	Value: \$ 164,469.33
Option 6:	09 MAR 2026 to 08 APR 2026	Value: \$ 164,469.33

Total Value: \$1,973,631.96

4. Authority Cited: 41 United States Code 1901 as implemented in Federal Acquisition Regulation 13.501(a)(1)(ii), sole source under the authority of the simplified procedures for certain commercial items.

5. Reason for Authority Cited:

a. Background. This service requirement supports Task Force (TF) Griffin, which is providing critical support to U.S. Customs and Border Patrol (CBP) based on the presidential National Emergency Declaration at the Southern Border of the United States. Failure to obtain secure lodging and conference room services in support of the task force headquarters will result in disruptions to its current mission. TF-Griffin is currently conducting operations in support of Joint Task Force-Southern Border (JTF-SB) from the Marine Lodge Miramar. Personnel are currently operating on Defense Travel System orders utilizing Government Travel Cards for payment for individual rooms. However, in order to establish a Secret Internet Protocol Router Network (SIPRNet) capability in the hotel, which is essential for unit operations, the task force is required to rent all rooms in the entire hotel so that it can control access to the building and achieve compliance with Marine Forces Northern Command policy regarding secure facilities.

Marine Lodge Miramar/ Inn of the Corps is located on a military installation (Marine Corps Air Station Miramar) and provides all required security and entry restrictions required by TF Griffin. The total estimated monthly cost is \$164,469.33 for use of 37 rooms and full access to the two conference rooms totaling \$1,973,631.96 and is tax free.

b. **Alternatives.** Informal market research was conducted on the nearest similar facility and the cost for 37 rooms without addition of conference rooms and guaranteed sole and secure access is an estimated \$219,791.10 monthly rate before city and/or state tax. When accounting for daily room taxes of \$25.15, that equates to a monthly tax cost of \$27,916.50. The potential increase of moving to a new location in the general area without guaranteed requirements is a 67% increase in cost per month. Sourcing the Marine Lodge Miramar based on savings from estimations of the local market price is considered fair and reasonable pricing and advantageous to government for cost saving and execution of the Southern Border Mission. This is the only facility in the San Diego metro area with both the capacity and capability to perform this critical service.

c. **Impact if justification not approved.** Market research has revealed that there is no other facilities that are in the San Diego urban area, other than Marine Lodge Miramar, that can meet the security and lodging requirements of TF Griffin. Not approving this justification will require continuing the inefficient use of individual travel orders to obtain individual rooms but will not resolve the need to have SIPRNet capability that is contingent upon reserving the entire facility. SIPRNet is essential for daily conduct of TF operations.

6. Efforts to Obtain Competition: In accordance with FAR 5.202(a)(1), this action will not be synopsized. To preserve operational security, it is deemed prudent to not publicly disclose the location of TF-Griffin's headquarters by publicly posting a synopsis for this requirement. Even though performance will be on a military installation, there is always the potential that a breach in operational security could result in undesirable consequences. Based on this potential, efforts to obtain competition are impractical at this time.

7. Actions to Increase Competition: Market research will be performed prior to any subsequent procurement actions for these or similar requirements to determine if other facilities have become available that meet the Government needs.

8. Market Research: Marine Lodge Miramar is located on a military installation (Marine Corps Air Station - Miramar) and provides all required security and entry restrictions required by TF Griffin. The total estimated monthly cost for use of all 37 rooms and full access to the two conference rooms is \$164,469.33 and is tax free. Informal market research was conducted on the nearest similar facility and the cost for 37 rooms without the addition of conference rooms and guaranteed sole and secure access, is an estimated \$219,716.05 before city and/or state tax. Adding in the monthly room taxes of \$27,916.50 brings the total monthly rate to \$247,632.55. This amount equates to a 67% increase in cost per month for the Government to utilize facilities other than Marine

Lodge Miramar and these alternative facilities are unable to meet the complete Government requirements.

9. Interested Sources: No synopsis was posted due to the exception at FAR 5.202(a)(1), and market research determined there was no alternative available facility within the San Diego area. To date, no other sources have written to express interest in the acquisition.

10. Other Facts:

Procurement history. Previous Task Order Awards for similar services for JTF-SB are captured in the table below. These Task Orders are recent acquisitions for lodging and conference rooms for the Southern Border Mission in the general region and vendors were provided fair opportunity utilizing the Naval Supply Systems Command's World Expeditionary Multiple Award Contracts (WEXMAC). Of note, these task orders had a similar capacity requirement but did not have a requirement for a secure environment for a brigade headquarters which would require the rental of the entire facility to preclude any public access to the facility. There are currently no previous contract awards in support of JTF-SB that cover all elements of this specific requirement.

Task Order	Location	Vendor	Total Value
W9124J-25-F-A017	Yuma, AZ	Red Orange North America Inc	\$3,970,470.00
W9124J-25-F-A018	San Diego, CA	Acquisition Logistics LLC	\$15,769,354.15
W9124J-25-F-A019	San Diego, CA	Obera LLC	\$24,894,594.90
W9124J-25-F-A020	El Centro, CA	Waypoint LLC	\$4,444,743.70

11. Technical Certification: I certify that the supporting data under my cognizance, which are included in the justification, are accurate and complete to the best of my knowledge and belief.

13. Fair and Reasonable Cost Determination: I hereby determine that the anticipated cost to the Government for this contract action will be fair and reasonable. Market research and comparison of the proposed price to the Independent Government Estimate (IGE) were used to determine fair and reasonable pricing. Certified cost or pricing data is not required because the services being acquired are considered commercial.

Approval

Based on the foregoing justification, I hereby approve the procurement of Lodging and Conference Rooms at Marine Lodge Miramar located on Marine Corps Air Station Miramar, San Diego, CA on a sole source basis pursuant to the authority of Title 41 United States Code Section 1901 as implemented in Federal Acquisition Regulation 13.501. The estimated value of the contract is \$1,973,632.00 for a performance period consisting of 6-month base period and six 1-month options from approximately April 2025 through approximately April 2026. The approval is subject to availability of funds, and provided that the Supplies and services herein described have otherwise been authorized for this acquisition.
