

SCOPE OF WORK

The vendor will provide annual maintenance for NAVFAC's existing three SAP2000 Advanced network licenses, one SAFE Standard network license, and two ETABS Nonlinear network licenses.

Additionally, the vendor will provide a cloud sign-in license with 12 months of maintenance for one SAP2000 Ultimate license and one SAFE Post-Tensioning license.

The period of performance for this request is 12 May 2025 to 11 May 2026.
