**Ref: FacilitatePro Software License**

2024 Statement of Proprietary Software: This letter confirms that Facilitate.com is the sole source provider of the FacilitatePro software application. Both software and support must be purchased directly from Facilitate.com at the address provided herein. This software is proprietary to our corporation. It is a commercial off the shelf application that helps groups brainstorm, organize, and prioritize ideas to aid in decision-making.

Our full corporate name is McCall, Szerdy & Associates, Inc., DBA Facilitate.com. The company is located at 426 N. Hope Ave, Santa Barbara California 93110.

Facilitate.com does not maintain a reseller or business partner network for FacilitatePro sales, training or support.

The following documents are included:

- Copy of price list
- Copy of pricing as published on our web site at:  
<https://www.facilitate.com/pricing-facilitatepro-santa-barbara-facilitate-effective-group-collaboration>

Annual License Fee & Technical Support: The FacilitatePro software license requires payment of an annual license fee (ALF) for continued use. This ALF includes all product upgrades, maintenance fixes and version releases. Technical support for the site administrator is reached by phone at 1-805-682-6939 and by email at [getinfo@facilitate.com](mailto:getinfo@facilitate.com). Normal business hours are M-F 7 AM to 6 PM Pacific Time. other scheduled times are made available as needed.

If you need further information or have additional questions, please contact Danuta Charwat-McCall, Director of Client Services in our Santa Barbara Offices at 1-805-682-1148 or [Danuta@facilitate.com](mailto:Danuta@facilitate.com).

Best regards,

Michael R. McCall  
President, Facilitate.com

## FacilitatePro Price Sheet

### FacilitatePro Standard Internal Use License for Client's Internal Server and Network

A FacilitatePro internal use license supports an unlimited number of concurrent meetings, surveys and participants, running simultaneously in a secure data partition. Additional secure data partitions may be added to allow multiple departments, divisions or groups to exist completely independently and securely within a single copy of the software.

Annual License Fee (ALF) includes all maintenance releases and product upgrades.

## Pricing

Give your entire organization the tools to run shorter meetings with better results. FacilitatePro licenses come in three sizes, depending on the number of facilitators and secure data partitions\* you need. There is never any limit on the number of concurrent participants or meetings.

Asterisk \* Think of these as conference floors with secured access
