

Instructions and Submission Requirements

Source selection procedures are in accordance with the Brooks Act, Public Law 92-582, and the Federal Acquisition Regulation (FAR) Part 36.6 to determine the most highly qualified firms.

Acquisition will be conducted in two phases:

1. evaluation of professional qualifications to determine the most highly qualified offerors;
2. evaluation of offered prices and overhead rates to determine reasonableness.

Offerors: Please identify, in your cover letter, the Discipline Area(s) and the Geographic State Zone(s) you wish to be considered and of which you are providing responses to the Selection Criteria. Offeror's may choose multiple Disciplines and Geographic Locations:

Discipline Areas*	Geographic Location Zones		
	Alaska	Oregon	Washington
1.4 Environmental			
1.5 Facilities			
1.6 Transportation			

*** Please see the Statement of Work (SOW) document Sections 1.4 – 1.6 for description of the respective Discipline Areas.**

SELECTION CRITERIA (per FAR 36.602-1):

1. Professional qualifications;
2. Specialized Experience and Technical Competence in the following categories (as noted above, see Statement of Work for detailed descriptions). Per the table above, you will be providing responses to each of your identified Discipline Areas, i.e. those you want to be considered for:
 - a. Environmental
 - b. Facilities
 - c. Transportation
3. Capacity;
4. Past Performance;
5. Geographic Location. Per the table above, you will be providing responses to each of your identified Location Zones, i.e. those you want to be considered for:
 - a. Alaska
 - b. Oregon
 - c. Washington
6. Other appropriate evaluation criteria: Not Applicable

PHASE 1 – SUBMISSION REQUIREMENTS (Revised 04/23/2025):

Submit a completed Architect-Engineer (AE) Qualifications Form (SF-330), including your firm's Unique Entity Identifier (UEI) number. AE firm shall submit a complete SF-330 electronically via email (only one SF-330 is required which addresses all disciplines you have selected, i.e. 1, 2 or 3).

1. Submit Part I addressing the qualifications of the AE firm. Part I shall be limited to the following number of pages:
 - a. One discipline: 50 pages
 - b. Two disciplines: an additional 10 pages (i.e. 60 pages total)
 - c. Three disciplines: an additional 10 pages (i.e. 70 pages total)
 - d. Minimum font size of 11
2. Submit Part II for the AE firm and any key subcontractors

The following criteria will be used for evaluation of AE firms. **For each of the following criteria, i.e. 1 through 5, please address the submission requirements for those Discipline Area(s) you have selected in the table above:**
