

NOTICE OF INTENT TO SOLE SOURCE

SKM License

The Department of Veterans Affairs Cleveland Veterans Affairs Medical Center (CLE VAMC), 10701 East Blvd., Cleveland, OH 44106 intends to solicit and negotiate with only one source under the authority of FAR 13.106(b)(1)(i) - Contracting officers may solicit from one source if the contracting officer determines that the circumstances of the contract action deem only one source reasonably available. The NAICS code is 333413 with a small business size standard of 500 employees. The VA intends to solicit and negotiate with SKM Systems Analysis, Inc., PO Box 12123, Zephyr Cove, NY 89448 for a SKM Software Licenses.

The software required is SKM Systems Analysis, Inc., developed and sold by SKM Systems Analysis, Inc. The Engineering Department will use this TRM-approved software to maintain and update the facility's electrical system model, including arc flash calculations and compliance updates. The existing electrical one-line diagram for the full facility was developed using SKM software and turned over to the VA in this native file format. However, the license previously purchased by CLE VAMC has expired and must now be renewed and upgraded to accommodate the increase in electrical infrastructure since the original 2012 acquisition.

Other persons may identify their interest and capability to respond to this requirement by Thursday, February 24, 2025 at 5PM EST. Such capabilities information will be used solely for the purpose of determining whether or not to conduct this procurement on a competitive basis. All information shall be furnished at no cost or obligation to the Government. A determination by the Government not to open the requirement to competition based upon responses to this notice is solely within the discretion of the Government. No solicitation is available at this time. All inquiries must be submitted by email to Rachelle Hamer at rachelle.hamer@va.gov.
