

Playground Equipment Competitive Specifications Summary

- Materials:
 - Rotationally Molded Plastic composed of MDPE, UV-16 stabilized, and static-dissipative performance.
 - HDPE Plastic/Panels compression molded, UV Stabilized and 4000 psi tensile strength
 - Structural Steel Pipe/Tube for Posts, Guardrails, Climbers, Ladders etc. ASTM A500 and ASTM A53 Grade B, Zinc-Rich Epoxy Primer Coated, and TGIC Super-Durable Top Coat with 99% Opacity.
 - PVC Coating on Decks, Steps, etc. with Anti-Microbial Additive, UV Light Stabilizer Additive, Self-Extinguishing Material, and 1600-1900 psi tensile Strength
 - Fasteners/Hardware 18/8 Stainless Steel
 - Playground Safety and Accessibility
 - Playground Equipment meets ASTM 1487-21 standards and CPSC #325 guidelines for Playground Safety. Equipment use zones accounted for. Complies with DOJ-2010 ADA Law Manufacturer is IPEMA certified.
 - DOJ-2010 ADA Standards for Accessible Design are met
 - User capacity of (51) designed for users 2-12 years old
 - Equipment Warranty
 - Limited Lifetime Warranty: Steel deck support posts, stainless steel hardware, clamps, deck hangers, etc.
 - Limited 15 Year Warranty: Perforated steel decks and stairs, etc. rotationally molded and sheet plastic components
 - Limited 5 Year Warranty: PE coating and PVC coating (against cracking and peeling)
 - Playground Specialists Inc. Lifetime Installation Warranty: Replace parts covered under manufacturer warranty free of charge. Contact Playground Specialists for parts and warranty of all products and materials.
 - Unique (exclusive to this Playground equipment) Rainbow Bonded Rubber Surfacing
 - Seamless poured-in-place rubber surfacing, one thickness pour, natural color and appearance, 7-year warranty (with proper maintenance)
 - Designed and installed to exceed equipment fall height.
 - Meets or exceeds ASTM D412, D624, D2047, D2859, E303, F1292, and F1951 standards
 - Mixes As Ratio: 14% urethan divided by 86% rubber
 - Playground Specialists Installation
 - Manufacturer Certified Installer, Installation of over 5000 project since 2008, Certified Playground Safety Inspectors on site, Qualified contractor with the International Playground Contractors Association (NPCAI), Bonded and insured for Recreational Product installation, Class A Contractor.
 - Playground Specialists Inc. Lifetime Installation Warranty: Replace parts covered under manufacturer warranty free of charge. Contact Playground Specialists for parts and warranty of all products and materials.
