DESCRIPTION

INTENT TO SOLE SOURCE

The Department of Veterans Affairs, Network Contracting Office 4 (NCO4) intends to sole source with e3 Diagnostics, Inc. to procure a service contract for calibration and preventative maintenance and repair for Audiology equipment at the Wilmington VA Medical Center.

The objective of this sole source award is for a Firm-fixed Price Contract, consisting of a base year plus four option years, with e3 Diagnostics, Inc., 3333 N Kennicott Avenue, Arlington Heights, IL 60004, Unique Entity ID C71LRUM2J2Y8. This sole source determination is in accordance with FAR 13.106-1 (b) Soliciting from a Single Source.

The North American Industry Classification System (NAICS) code for this procurement is: 811210, Electronic and Precision Equipment Repair and Maintenance. The Small Business Administration (SBA) size standard is: \$34.0 Million. The PSC code is: J065, Maintenance, Repair, and Rebuilding of Equipment – Medical, Dental, and Veterinary Equipment and Supplies.

This notice of intent to sole source is not a request for quotes. Interested vendors that can provide this requested service must respond no later than 05/22/2025 by 10:00 AM EST. Interested vendors must send a capability statement, no more than one page in length; to include Company Name, SAM UEI Number, Socioeconomic Category, and a brief description of your business entities capability to provide these services.

All information shall be provided at no cost or obligation to the Government. Responses must be sent via email to the Contract Specialist, Emily Hall, E-mail: emily.hall5@va.gov. Facsimile or telephonic responses will not be accepted.

Please include in the email Subject Line: Wilmington Audiology PM&R

Simply responding as an “interested party” does not constitute your company as a source. Offeror must provide the above requested information.

A determination by the Government not to compete this proposed contract based on responses to this notice is solely within the discretion of the Government.

Special Notice

STATEMENT OF WORK

Description: Calibration and Preventive Maintenance for Audiology Equipment

Facility 2237#: 460-25-3-082-0042

1. Introduction/Background:

The Wilmington VAMC wishes to procure a calibration and preventive maintenance for Audiology Equipment.

2. OBJECTIVE:

The Wilmington VAMC (460) Wilmington, Delaware is seeking to purchase this service contract for the following:

Dover CBOC

3. MAJOR REQUIREMENTS:

The contractor shall provide comprehensive calibration and annual preventive maintenance, and unscheduled maintenance as needed located at WVAMC and as defined in this Statement of Work (SOW). The goal is to ensure the accurate and reliable performance of all devices, adhering to relevant industry standards and manufacturer specifications, and to minimize potential downtime through proactive audiology maintenance.
