SUBJECT: NOTICE OF INTENT TO CONTRACT FOR A FORTHCOMING REQUEST FOR QUALIFICATIONS FOR ARCHITECTURAL AND ENGINEERING (A-E) SERVICES.

THIS IS NOT A REQUEST FOR PROPOSAL. THE INFORMATION HEREIN IS PROVIDED ONLY TO INFORM THE PUBLIC OF THIS UPCOMING REQUIREMENT.

1. This notice is being posted for 30 days.
2. The Defense Commissary Agency intends to contract for Architectural and Engineering (A-E) services through a Multiple Award Task Order Contract (MATOC). Contractors will be selected based on identified qualifications in order to provide DeCA with required Architect-Engineer (A-E) Type A and B services and A-E Type C services. The services and deliverables will vary based on the specific requirements outlined in the Statement of Work (SOW). The contract will encompass a combination of Type A (Title I – Planning Studies), Type B (Title I – 100% Design), and Type C (Title II – Oversight) services that include but are not limited to the services identified in the SOW at a later date. In connection with the contract action, the Government requires expertise across various disciplines, including architecture, mechanical engineering, refrigeration engineering, electrical engineering, plumbing engineering, civil engineering, structural engineering, fire protection engineering, life safety engineering, environmental engineering, and other disciplines are areas of expertise relevant to typical best practices.
3. The NAICS codes associated with this acquisition are 541310 Architectural Services and 541330 Engineering Services.
4. The Government is not requesting qualifications in response to this Notice of Intent.

There will be a qualitative selection of A-E firms based on recent market research conducted by this Agency. The selection will be conducted in accordance with applicable procedures identified in Federal Acquisition Regulation Subpart 36.6 and Defense Federal Acquisition Regulation Supplement Subpart 236.6.

5. The POCs for this notice are Troy.Banks@deca.mil and Karla.Ramirez@deca.mil.

Sincerely,

Troy H. Banks
Contracting Officer
