MAINTENANCE, REPAIR, AND OPERATIONS (MRO) PROGRAM**

1. Defense Logistics Agency (DLA) Troop Support, Construction and Equipment Supply Chain, is the contracting activity.
2. The action being approved is the award of DLA requirements on an Other than Full and Open Competition basis.
3. The proposed acquisition is for a bridge contract for a period of 250 days to provide for the purchasing of facilities maintenance, repair, and operations (MRO) materials and other supplies including, but not limited to: Heating, Ventilation, and Air Conditioning (HVAC); plumbing supplies (including bath and shower items); electrical products (including generators, wire, connectors, sockets, outlets, lights, etc.); tools of various kinds; chemical, lubricating, and rubber products and products including same; construction supplies (including but not limited to cement, lumber and plywood, bricks, blocks, steel, aluminum, and other metal products, conduits, prefabricated structures, etc.); perimeter security items such as barriers, barbed wire, concertina wire, and sand bags (also used for erosion prevention); communication devices (such as walkie-talkies, two-way radios, etc. used by maintenance personnel); and various other MRO supplies and incidental services needed by war-fighters stationed in the Southwest Region Zone 1. The proposed maximum dollar value [REDACTED] is \$75 million for a period of 250 days. The original five (5) year contract for this region, SPE8E3-15-D-0014, was awarded to SupplyCore Inc. on February 19, 2015, and expired on February 18, 2020. The first bridge contract, SPE8E3-20-D-0006, was awarded February 19, 2020, and expired on August 18, 2021. The second bridge contract for this region, SPE8E3-21-D-0012, was awarded with an effective date of August 19, 2021, and expired on November 11, 2022. The third bridge contract, SPE8E3-23-D-0006, was awarded November 12, 2022, and expired on November 11, 2023. The fourth bridge contract, SPE8E3-24-D-0001, was awarded with an effective date of November 12, 2023 and expired on September 15, 2024. The fifth (current) bridge contract, SPE8E3-24-D-0025 was awarded with an effective date of September 16, 2024, and is set to expire on March 27, 2025.

The proposed action will be the sixth bridge contract for the Southwest Region Zone 1 and will have an effective period of March 28, 2025 through December 2, 2025. [REDACTED]

[REDACTED]

[REDACTED] If a competitively awarded contract is issued ahead of the projected timeframe and the contract guaranteed minimum of \$50,000.00 is satisfied, orders will no longer be placed under the bridge contract.

6. This requirement will be published to Contract Opportunities. In addition, this justification will be made available for public inspection after award, in accordance with FAR 6.305.
 7. As the Contracting Officer, I hereby determine that the anticipated cost to the Government will be fair and reasonable based on price analysis, including comparison to available commercial pricing, General Services Administration (GSA) pricing, and other Government contracts.
 8. With the exception of synthesizing this requirement, no additional market research will be conducted, and no other firms will be solicited since the required supplies and services are only available from the incumbent contractor in the required timeframe.
 9. There are no other facts supporting the use of other than full and open competition. The proposed sixth bridge contract, to be awarded to SupplyCore, is required to support customer requirements until a follow-on initiative is competitively awarded.
 10. While no sources have expressed a written interest in this acquisition, it is anticipated that SupplyCore will be interested in this bridge contract.
 11. The proposed bridge contract covers the Southwest Region Zone 1.
