

STATEMENT OF WORK

1. Objective/Requirements

Goddard Space Flight Center (GSFC) requires lease renewal from the Zayo Group of two pair of dark fiber from GSFC to University of Maryland, College Park, MD (UMCP). These fibers are used to carry high bandwidth Internet-style data communications in multiple ITU-compliant dense wave division multiplexed channels.

2. Characteristics, Scope, and Specs

Product	Service Item Desc	Component	Component Address	Type	Status	QTY
Dark Fiber	Dark Fiber	SOC-0005381652	NASA Bldg 1/FI-B/Rm-Main Telephone Greenbelt MD 20771	YRC	Active	1
Dark Fiber	Dark Fiber	SOC-0005381653	NASA Bldg 1/FI-B/Rm-Main Telephone Greenbelt MD 20771	YRC	Active	1

3. Place of Performance
