

JUSTIFICATION FOR OTHER THAN FULL AND OPEN COMPETITION
10 U.S.C. § 3204

Pursuant to the requirement of the Competition in Contracting Act (CICA) as implemented by the Federal Acquisition Regulation (FAR) Subpart 6.3 the following facts and rationale justify the use of such authority:

1. Agency and Contracting Activity.

The Department of Homeland Security, United States Coast Guard (USCG) Operational Logistics Command, Regional Contracting West (LOG-94), proposes to enter into a bridge contract on a basis other than full and open competition.

2. Nature and/or Description of the Action being Approved.

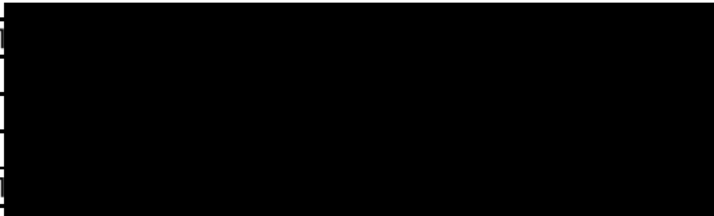

(a) Nature of the action: USCG intends to procure 3-month bridge contract on a sole source basis.

(b) Name and address of the contractor: Superior Tasking Advantage Contracting Inc.
311 S 5th St STE C, Gadsen AL, 35901-4254

(c) Type of action: IDIQ Bridge Contract

(d) Estimated total value:

Period	
Base	
Option Month 1	
Option Month 2	

The end date for the current contract period of performance is 30 April 2025.

(e) Type of funding: Operations and Support funds

(f) Year of funding: Fiscal Year 2025

(g) Solicitation number: 70Z08425QALAM0002

(h) Background information about the requirement: Previously awarded as competitive 8(a) contract to Superior Tasking Advantage Contracting under award 70Z08424PDL930005, with a period of performance of 01 April

2024 to 30 April 2025. Bay Area housing facilities require comprehensive housing maintenance services. Additionally, Base Alameda requires grounds maintenance and janitorial services.

3. Description of Supplies/Services.

The requirement is to provide e maintenance and repair of Military Family Housing (MFH), Representational Facilities (REPFAC), Unaccompanied Personnel Housing (UPH) units, Guest Housing in Novato, associated real property, common areas, equipment, systems, and household appliances, and also grounds maintenance for the entire housing area and janitorial services at the Alameda Housing Office. All Spanish style housing in Novato and Quarters A and C at YBI are listed on the National Historic Register and must be maintained up to original standard.

4. Identification of Statutory Authority Permitting Other Than Full and Open Competition.

The statutory authority permitting other than full and open competition is 10 U.S.C. § 3204(a) implemented by the FAR Subpart 6.302-1 entitled “Only one responsible source and no other supplies or services will satisfy agency requirements.

5. Identification of Exception to the Buy American Act.

N/A

6. Demonstration that the Proposed Contractor’s Unique Qualifications or the Nature of the Acquisition Require Use of the Authority Cited.

The Coast Guard does not have qualified personnel to accomplish these requirements. Currently, Superior Tasking Advantage Contracting, Inc. (STA), is performing the requirement satisfactorily and in accordance with the performance work statement. The period of performance for current performance period ends 30 April 2025 and does not allow for the necessary time required to enter into a competitive contract; however, the effective period of the J&A is no more than the minimum time necessary, a proper synopsis was posted on 05 December 2024, and a solicitation is planned for posting on SAM.gov, with an estimated publication date of 27 May 2025.

Bay Area Housing has a no-fail mission and critical need for continuity of services thus a bridge contract is being planned to support the recurring services. STA, Inc. is capable of providing the supplies and services required at the level of quality required, given its experience and familiarity of the work already performed under the current Bay Area contract. Utilizing a different contractor for the short-term bridge contract would cause an unacceptable gap for these critical services.

Although other small businesses exist who can provide these services, a two-month

phase-in transition period is required for new contractor assuming responsibilities of performing the Bay Area Housing SOW requirements to ensure adequate time for transfer of the incumbent's pending work orders with a period of performance that extends beyond the expiration of the contract. Before the new contract period begins, the incumbent and incoming contractor must complete a Government Furnished Equipment, Materials and Facilities sign-off and submit to the COR for approval. Bay Area Housing has a critical housing need during the transfer season in the early summer. Transitioning in a new contractor and ensuring certified personnel are on site to perform the services by May 1, 2025, is a significant risk to the Coast Guard in terms of mission readiness.

If the J&A is not approved, the Bay Area Housing mission at the Coast Guard at Base Alameda Housing, Petaluma Housing, Novato Housing and Yerba Buena, CA., would be greatly compromised; and it would be impossible for the Base to remain operational without the continuity of services.

7. Description of Efforts Made to Ensure that Offers are Solicited from as Many Potential Sources as is Practicable.

A synopsis was posted 05 December 2024, and a solicitation is planned for posting in SAM.gov, with an estimated publication date of 27 May 2025.

8. Determination by the Contracting Officer that the Anticipated Cost to the Government will be Fair and Reasonable.

The Contracting Officer determines that the anticipated price(s) will be fair and reasonable based on a comparison to the historical pricing, a comparison to the IGE, the reasonableness of the known wages, and an analysis based on technical and contracting knowledge of the industry.

9. Description of Market Research.

Given the provisional status of the bridge contract, in-depth market research was not conducted. However, some limited market research was conducted to support the awarding of the bridge contract for the housing project. The research relied primarily on existing internal data, informal discussion with stakeholders, and publicly available potential housing contractors with similar NAICS code. A full procurement process and detailed market research will be completed prior to awarding the long-term contract.

10. Any Other Facts Supporting the Use of Other Than Full and Open Competition

N/A

11. A Listing of the Sources, if Any, that Expressed, in Writing, an Interest in

the Acquisition

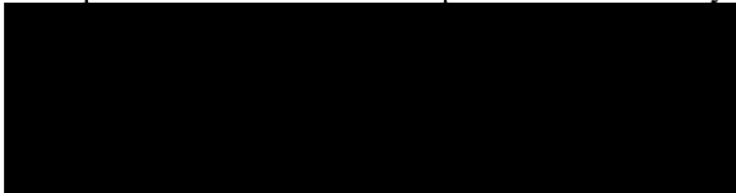

N/A

12. A Statement of the Actions, if Any, the Agency May Take to Remove or Overcome any Barriers to Competition Before Any Subsequent Acquisition for Supplies or Services Required.

The Government is currently preparing to post the solicitation for the renewal of the 5-year IDIQ Bay Area housing contract. This requirement will be advertised as an 8(a) competitive solicitation.

13. Contracting Officer's Certification.

I certify that the data supporting the recommended use of other than full and open competition is accurate and complete to the best of my knowledge and belief.

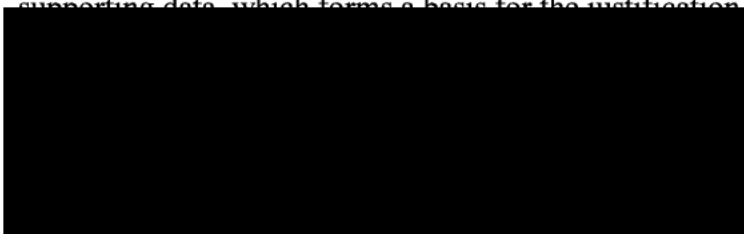

04/22/25

Date

14. Technical/Requirements Personnel Certification.

I certify that this requirement meets the Government's minimum need and that the supporting data, which forms a basis for the justification, is accurate and complete.
