

Sole Source Notice of Intent

TITLE: Warm Springs Water Share Assessment

PURPOSE AND PROJECT DESCRIPTION: The Bureau of Reclamation (BOR) intends to award a sole-source award under FAR 13 with Warm Springs Irrigation and Power Company, to deliver water to lands administered by the Utah Reclamation Mitigation Commission (URMCC) in support of the Mitigation Commission Utah Lake Wetland Preserve. Warm Springs Irrigation Company owns the water to be disturbed to these lands and is the only source that can provide delivery of the water. Under this purchase order, URMCC will pay the required water shares to Warm Springs Irrigation to receive the water

LOCATION: The location of the work are lands through the Mitigation Commission Utah Lake Wetland Preserve, Utah.

NAICS AND SIZE STANDARD: The NAICS code for this project is 22131 with a small business size standard of \$41m.

COMPETITION: This is anticipated to be awarded as a sole source to Warm Springs Irrigation and Power Company.

SOLE SOURCE JUSTIFICATION: IAW FAR 13.106-1(b)(1), only this suggested source can furnish the requirements, to the exclusion of other sources, because only Warm Springs Irrigation and Power Company owns and can distribute the water on the lands that URMCC administers. No other sources can provide the water.

SOLICITATION RELEASE DATE: BOR intends to award this purchase order during Fiscal Year 2025.

POINT-OF-CONTACT FOR QUESTIONS: Any firm that believes it could fulfill the Government need described herein must submit a capability statement to Aubrie Watson at awatson@usbr.gov by 2:00 PM on Friday 10 May 2025 for consideration. The information provided shall include detailed (and relevant) documentation to allow the government to perform adequate market research and make a proper determination. However, the Contracting Officer reserves the right to make the final decision on source selection in the best interest of the Government.
