

Things to Know Vendor Outreach Matchmaking Event (VOME)

- Date/Time of Virtual Event: May 8, 2025, 9 a.m. – 4 p.m. ET.
- Registration is now open at: <https://mayvome2025.mbmapp.com/>.
- **Registration does not guarantee a meeting.** Businesses will choose to meet with other businesses (large to small or small to small) that meet their needs and will confirm acceptance of the meeting request.
- Each meeting will be 15 minutes and established by the matching of core competencies, needs, and lines of business as identified by each participant North American Industrial Classification System (NAICS) Code(s). For this event, participants may add up to ten NAICS Codes and must upload a capability statement into their profile. The NAICS provided must be accurate to your firm's line of business.
- Large and Small Businesses must log into the platform and request a meeting(s). Communicating via the "Let's Connect" feature about a meeting, is not scheduling a meeting.
- A meeting is considered confirmed once the request has been accepted. Only confirmed meetings will appear on your schedule in the registration platform.
- Large and Small Businesses must consistently monitor and request, accept, or decline meeting requests.
- Small Businesses can register for this event now until 11:59 p.m., ET, May 1, 2025.
- There is a Platform Tutorial available as a guide to participants for creating a profile and scheduling meetings.
