To Whom It May Concern:

**Subject : Welin Lambie Limited Davit Types : TWPIV 5.0A & TWPIV 5.0B
Service, Spares and Support – Sole Source.**

This is to advise users of Welin Lambie davit systems that Welin Lambie Limited (part of the Fairbanks Morse Defense Group) is the OEM and only authorised provider of genuine spares, parts and service support for the Davit Type: TWPIV 5.0A and TWPIV 5.0B.

All items / materials quoted are either manufactured "in house" or modified to meet the application and regulatory approvals.

All distance and onsite technical support / assistance is conducted by Welin Lambie employed, factory trained personnel.

This complies with the requirements under IMO / SOLAS MSC 1093 directive for approved davit equipment.

For Welin Lambie Limited

A handwritten signature in black ink, appearing to read "Tony Leung", with a long horizontal line extending from the end of the signature.

Tony Leung
Technical Director
