Umatilla National Forest Thomas Creek Hand Piling BPA Call

Action Code: Special Notice

Date: 04/10/2025

**Contracting Office Address: Procurement and Property Services CSA #3,
Umatilla NF**

Product or Service Code: F099 Natural Resources/Conservation- Other

Subject: BPA Call Issuance - Thomas Creek Hand Piling BPA Call

Proposed Solicitation Number: #1240BE25Q0027

Closing Response Date: 04/21/2025

**Contact Point or Contracting Officer: Andrea Pollock,
andrea.pollock@usda.gov**

Procedure used to solicit and award contract: This notice is for the issuance of a blanket purchase agreement call request on BPA “WW/UMA Mechanical and Hand Thinning Fuels Reduction BPA 1240BE22A00XX”. This was a competitive request for quotes under a previously issued BPA to the contractors that were awarded hand piling only. Only current BPA holders can quote the forthcoming call request.

Description:

The expected result of this project is to reduce fuel loadings by handpiling all previously thinned slash along with all other dead and down material on the ground that is smaller than 12” in diameter on the large end. The total acreage of this order is 162 acres.

Place of contract performance: Umatilla National Forest

Anticipated award date: 04/30/2025

NAICS Code: 115310 Fuel Management Services
