

SINGLE SOURCE JUSTIFICATION NOT EXCEEDING THE SIMPLIFIED ACQUISITION THRESHOLD

SECTION 1: IDENTIFICATION OF THE AGENCY AND THE CONTRACTING ACTIVITY

Department of State Contracting Activity	☐ Office of Acquisitions Management ☐ Foreign Service Institute ☐ Office of Foreign Missions ☐ U.S. Mission to the United Nations ☒ Overseas Post ConGen Casablanca
Requiring Activity	OBO/OPS/ART – Casablanca NCC Project

SECTION 2: NATURE AND/OR DESCRIPTION OF THE ACTION BEING APPROVED

Approval is requested to award on a sole source basis to Fatiha Zemmouri for the supplies and/or services described in Section 3 on behalf of the Requiring Activity.

SECTION 3: DESCRIPTION OF SUPPLIES/SERVICES REQUIRED TO MEET THE AGENCY'S NEEDS

The requirement is to provide works of art, at the new US Consulate Casablanca. The estimated value for the entire period of performance is \$ 33,000 including options for one work of art. These supplies/services require that Fatiha Zemmouri provide one work of art 160 x 147 CM. To allow the Office of Art in Embassies to accomplish its mission of cultural exchange within the Department of State mission, only specific works of art can be procured for their specific style, cultural relevance, medium, and scale as these works are part of the mission to highlight US artists. This artist was chosen by the Office of Art in Embassies Curatorial Committee. The artist will provide once mixed media artwork for a site-specific location, based on design and creation details approved by OBO/ART

SECTION 4: IDENTIFICATION OF THE STATUTORY AUTHORITY PERMITTING OTHER THAN FULL AND OPEN COMPETITION

In accordance with Federal Acquisition Regulation (FAR) 13.106-1(b)(1), the Contracting Officer has deemed only one source reasonably available based on the following:

☒ Other – Artwork is unique and singularly created, not mass produced. Specific pieces and artists are chosen for their specific style, cultural relevance, medium, and scale to accomplish the DOS mission of cultural exchange.

SECTION 5: DEMONSTRATION THAT THE PROPOSED CONTRACTOR'S UNIQUE QUALIFICATIONS OR THE NATURE OF THE ACQUISITION REQUIRES USE OF THE AUTHORITY CITED

Fatiha Zemmouri is the artist chosen by the Office of Art in Embassies Curatorial Committee and her work is uniquely qualified. Public art which will be presented in the new US Consulate in Casablanca, Morocco must reflect the values of the United States. It will meet the unique artistic criteria which has been established for use at US Embassies and consulates. Based on purchases for similar works, the price is fair and reasonable. This work of art/services are sought for their specific technique, style, medium, or background and often must be negotiated into meeting the Government's price limitations.

Market research includes surveying all contemporary art journals, publications, and books; attending contemporary domestic and international art fairs; attending related museum exhibitions and gallery exhibitions; and consulting with related field experts such as dealers, specialized curators, and librarians. Emphasis and selection factors include the culture of the host country and artistic heritage. The mission of cross-cultural exchange through the visual arts is the objective.

Because of the unique nature of this type of procurement for representational art to support the mission of cultural exchange within the Department of State mission, only specific works of art can be procured for their specific style, cultural relevance, medium, and scale as these works are part of the mission to highlight US and Host country artists. Each project is unique as the buildings and host countries change. ART does not homogenize the collections but works to ensure their relevance. The works of art procured for each project have some cultural relevance that is considered in highlighting the parallels and differences between our cultures.
