

STATEMENT OF REQUIREMENTS 3GPP/ATIS MEMBERSHIP

U.S. Department of Commerce
National Telecommunications and Information Administration

1. BACKGROUND

The National Telecommunications and Information Administration (NTIA) is the Executive Branch agency that is principally responsible for advising the President on telecommunications and information policy issues. NTIA's programs and policymaking focus largely on expanding broadband Internet access and adoption in America, expanding the use of spectrum by all users, and ensuring that the Internet remains an engine for continued innovation and economic growth.

2. OBJECTIVE

To continue the work NTIA's various operating units, such as the Office of Policy Analysis and Development (OPAD), Institute for Telecommunication Sciences (ITS) and the Office of Spectrum Management (OSM), in 5G standards and other emerging technologies, membership in the appropriate Standards Development Organizations (SDOs) is required. The objective of this acquisition is to purchase membership for OPAD in the 3rd Generation Partnership Project (3GPP) and in the ATIS Next G Alliance (NGA).

3. REQUIREMENTS

NTIA requires membership in 3GPP and in NGA. The only authorized vendor for 3GPP membership in the United States is the Alliance for Telecommunications Industry Solutions (ATIS). The following annual memberships are required:

- ATIS Affiliate Membership (required for 3GPP membership)
- ATIS 3GPP Individual Membership
- ATIS Next G Alliance Membership

4. PERIOD OF PERFORMANCE

ATIS and NGA memberships are offered on a calendar-year basis. This contract is for memberships for Calendar Year 2025 (CY25).

5. PLACE OF PERFORMANCE

The place of performance for this purchase order shall be online access for the memberships.
