OEM. If you are not the OEM and a small business, you must indicate in your response how you will comply with limitations on subcontracting and/or the non-manufacturer rule.

This notice of intent is not a request for competitive quotes. However, interested parties may identify their interest and capability to respond to the requirement and submit a capability statement no later than 11:00 am., CT, May 09, 2025 to: racheda.atkins@va.gov.

Responses received will be evaluated; however, a determination by the Government not to compete the proposed procurement based upon responses received to this notice is solely within the discretion of the Government. If no written response is received within the closing date of this notice, a single source award will be made to Mobility Research, LLC. without any further notice.

Disclaimer and Important Notes: This notice does not obligate the Government to award an agreement or otherwise pay for the information provided in response to this notice. The Government reserves the right to use information provided by respondents for any purpose deemed necessary and legally appropriate. Any organization responding to this notice should ensure that its response is complete and sufficiently detailed to allow the Government to determine the organization's qualifications to perform the work. Respondents are advised that the Government is under no obligation to acknowledge receipt of the information received or provide feedback to respondents with respect to any information submitted. However, responses to this notice will not be considered adequate responses to a notice.
