

**Army Watercraft Sustainment Maintenance (AWSM) Program
International WorkBoat Show
Announcement 0001
7 November 2024**

Amendment 0003 to Announcement 0001 – Room Number for One-on-Ones has been changed from TBD to 219.

The purpose of this Announcement is to inform industry that the Army Contracting Command – Detroit Arsenal (ACC-DTA) will be present at the 2024 International WorkBoat Show. Industry will have the opportunity to meet with leadership responsible for executing Army sustainment requirements on behalf of the Integrated Logistics Support Center (ILSC) Watercraft Inspection Branch (WIB)-Ft. Eustis and Product Directorate (PD) of Army Watercraft Systems (AWS). ACC-DTA will brief industry on the Army Watercraft Sustainment Maintenance (AWSM) program and the presentation will take approximately 30 minutes. ACC-DTA will also be holding 20-minute one-on-one sessions between Wednesday and Thursday (Please see details below).

During the brief to industry on Thursday, November 14, 2024, contractors will have an opportunity to submit questions regarding the presentation to the Contracting Officer after the brief. Questions will be answered and posted on SAM.Gov following the International WorkBoat Show.
