

**Army Watercraft Sustainment Maintenance (AWSM) Program
Yokohama North Dock (YND), Japan Industry Day Brief
Announcement 0003
26 November 2024**

AMENDMENT 0001 to Announcement 0003 – The RSVP due date has been changed from 25 Nov 2024 to 3 Dec 2024. The start time of the industry day brief has been changed from 9:00am to 10:00am.

The Army Contracting Command - Detroit Arsenal (ACC-DTA) is conducting an industry day in Yokohama, Japan on Tuesday, 10 December 2024 at Yokohama North Dock (YND) beginning at 1000 with anticipated completion by 1300.

Industry will have the opportunity to meet with leadership responsible for executing Army sustainment requirements on behalf of the Tank Automotive and Armaments Command (TACOM) Integrated Logistics Support Center (ILSC) Watercraft Inspection Branch (WIB)-Ft. Eustis and Product Directorate (PD) of Army Watercraft Systems (AWS). ACC-DTA will brief industry on the Army Watercraft Sustainment Maintenance (AWSM) program.

This Industry Engagement Session will feature key remarks from ACC-DTA, TACOM ILSC WIB, and PD AWS leadership providing an overview of actions projected for award. In addition, there will be a general question and answer session, timed topic-focused question and answer sessions with the Procuring Contracting Officer (PCO), and personnel will conclude the session.

There will be a government only question and answer session following the programmed industry day.
