

INDUSTRY DAY – PRE-REGISTRATION FORM

Architect/Engineering services to support the Federal Bureau of Prisons future design initiative for a new medium-security Federal Correctional Institution (FCI) and minimum-security Federal Prison Camp (FPC) in Louisville, KY

Thank you for registering to attend the local Industry Day. We want to make the process as easy as possible. A separate registration form should be submitted for each individual attending, either in-person or virtually. Please mark below your intention to attend the meeting either in-person or virtually.

If you have questions about registering, please contact Brandon Gatz at Brandon.h.gatz@usace.army.mil.
