Introduction & Procurement Information

Anna Foreman – AFSS II Contracting Officer

- ❖ Introduction and Welcome
- ❖ Thank you for the interest in the Ames Facilities Support Services (AFSS) II Requirement!

- ❖ These slides shall not be interpreted as a comprehensive description of the Government's requirements.
 - ❖ Please refer to Draft Request for Proposal (DRFP).
- ❖ If there are any inconsistencies between this presentation and the DRFP, the DRFP will govern.
- ❖ Nothing discussed at this Event shall be construed as a revision to the DRFP, unless subsequently confirmed via the Final Request for Proposal or an Amendment.
- ❖ A communication blackout will commence immediately upon the release of the Final Request for Proposal (RFP).
 - ❖ The blackout period will continue until contract award.
 - ❖ All communication from industry must be directed only to the Contracting Officer during this blackout period.
- ❖ Recordings of today's presentations are prohibited. The presentations shown today will be uploaded to SAM.gov

- ❖ Please hold questions until all briefings are complete.
- ❖ Following the presentations, all questions related to the information provided today, or the DRFP must be submitted in writing to the Contracting Officer by the completion of the Virtual Walk Through or submitted via email to the Contracting Officer at anna.m.foreman@nasa.gov no later than April 24th, 2025.
- ❖ A Q&A template has been provided on Sam.gov – During the Virtual Requirement – please feel free to submit questions LIVE at the website posted in the chat. The chat will not be monitored but the conference i/o will be! <https://arc.cnf.io/>
- ❖ Questions and answers will be posted on the Sam.gov website in a timely manner.

❖ PROPOSAL PREPARATION – REQUIRED PROPOSAL CONTENT

- Required Proposal Content – Each offer shall contain the following:
 - (a) Volume I – General Proposal Information & Model Contract
 - (b) Volume II – Mission Suitability Factor – The Offeror's proposed approach to the Management Approach and Technical Approach subfactors shall be included in the Mission Suitability Volume.
 - (c) Volume III – Past Performance Factor
 - (d) Volume IV – Cost/Price Factor
