

SOURCES SOUGHT (MARKET SURVEY):

The National Park Service (NPS) is conducting a market survey to determine the interest and capability of contractors for a possible upcoming project. All costs associated with providing information in response to this market survey shall be the responsibility of the firm. Any information submitted is voluntary. The Contracting Officer will make an acquisition strategy determination based on the results of this market survey.

Prime contractors interested in working at Lynden B Johnson National Historic Park the work will consist of:

Providing all labor, materials, tools and other equipment necessary labor to supply and replace the park's HVAC water-cooled chiller unit. We anticipate that work would begin in mid-July 2025.

The NAICS code for this project is 238220, Plumbing, Heating, and Air-Conditioning Contractors, with a small business size standard of \$19M. The Magnitude of Construction anticipated is between \$250,000 and \$500,000. Interested contractors should also consider their construction bonding capacities when responding.

Contractor must be registered as a small business under the listed socio-economic categories in SAM (System for Award Management) under NAICS code 238220 to be considered/confirmed.

Overview: This project will include all mobilization, work, labor, and materials to complete this work, including prime/subcontracting oversight as follows: The government anticipates that the work will include the removal of current inoperable chiller, install new chiller and its associated components. All specifications, documents, and drawings will be provided if and when the government proceeds with a formal solicitation.

This market research is being conducted to acquire additional information about potential contractors that may be interested in performing this work. This is not a request for proposal (RFP) and does not constitute any commitment by the Government to issue any solicitation. All interested firms must respond to future solicitation announcements separately from responses to this market survey. Any solicitation that may be issued will be posted on SAM.gov.

All responses must be submitted via email not later than 1200 Mountain time, May 27th, 2025.
