

Single Source Justification (Simplified Acquisition)

Section A: General Contract Information		
Contracting Activity: 325th Contracting Squadron		Purchase Request/ F4A3505051A1001 Identification Number:
Project/Program Name: CJNET Subscription		Estimated Contract Cost (including Options):
Section B: Description of the Supplies/Services Required		
This requirement provides a subscription to the Florida Criminal Justice Network. This is a secure, private, statewide intranet system managed and maintained by the Florida Department of Law Enforcement (FDLE) to connect Florida criminal justice agencies to various data sources provided by the criminal justice community. This service is a mandated, secure network through which the 325th Security Forces Squadron accesses the National Criminal Information Center (NCIC), Florida Criminal Information Center (FCIC) database of criminal records and the Florida Motor Vehicles driver license records.		
Section C: Justification for Soliciting from a Single Source		
10 USC 2304(c)(1) or 41 use 253(c)(1); FAR 6.302-1: Only one responsible source and no other supplies or services will satisfy agency requirements. Services can only be provided from the original source as this is a follow-on requirement for the continued provision of highly specialized services. Award to any other source would result in substantial duplication of cost to the Government that is not expected to be recovered through competition. Services/Supplies are needed immediately to satisfy mission requirements. Service will not be available as the state of Florida is the owner/creator of this service which is controlled by Law Enforcement.		
Section D: Efforts to Obtain Competition		
Market research was conducted via Unicor, AbilityOne, GSA Advantage and Google yielding no results. The Criminal Justice Network is still the only source available to access these records. The Florida Department of Law Enforcement (FDLE) controls this service and utilizes the Florida Department of Management Services to provide this service. The Florida Department of Management Services is the only vendor capable of fulfilling the requirement.		
Section E: Steps to Preclude Future Single Source Awards		
Market research will be conducted each year in an attempt to remove and overcome any barriers to competition.		
Section F: Contracting Officer's Determination		
I have determined, in accordance with FAR 13.106-1(b)(1), that the circumstances of this contract action deem only a single source is reasonably available.
