Existing

End Panels 2 - Access end panel with 1ea 14' wide x 14' high metal rolling doors.

Personnel Door 2 - 36" x 80" Telstar Steel Personnel Door Existing

Section C: Justification for Soliciting from a Single Source or Brand Name

The established structure is manufactured by Big Top Manufacturing LLC. The Big Top's shelter insulation is certified by the manufacturer to meet their specified loading requirements, ensuring structural integrity and optimal performance. Big Top also installs an interior fabric liner after the insulation installation that is manufactured by Big Top and is made specific for their

Single Source Justification (Simplified Acquisition)

shelters. Therefore, this is a Brand Name requirement for certified Big Top Insulation. Big Top was contacted and they provided 4 vendors who are certified by Big Top to install insulation for Big Top.

Section D: Efforts to Obtain Competition

Market research efforts were performed by browsing GSA, Internet websites and federal supply schedules. There is currently no alternate part number or suitable substitution that can be utilized in place of Big Top Insulation. Big Top was contacted and they provided 4 vendors who are certified by Big Top to install insulation for them.

Section E: Steps to Preclude Future Single Source or Brand Name Awards

In the future, the Government will seek alternate solutions to a brand name for Big Top insulation while ensuring structural integrity of the shelter.

Section F: Contracting Officer's Determination

I have determined, in accordance with [FAR 13.106-1\(b\)\(1\)](#), that the circumstances of this contract action deem only a single source is reasonably available.
