

Single Source Justification (Simplified Acquisition)

Section A: General Contract Information

Is this a Bridge Action as defined in the [AF Bridge Action Reduction Plan](#)? ☐ Yes ☒ No

Contracting Activity: 22 CONS/PKA

Project/Program Name: 22 SFS Weapon Safes

Purchase Request / Local ID Number: F2Z3355038AW02

Estimated Contract Cost (including Options): [REDACTED]

Section B: Description of the Supplies/Services Required

The 22 SFS requires three (3) Quick Access Gun Safes capable of storing at a minimum 5 long guns and 5 handguns, for use at the 3 operational Installation Entry Control Points (Gate 1/Building 172, Gate 2/Building 63, Gate 3/Building 2086) at McConnell AFB.

Section C: Justification for Soliciting from a Single Source or Brand Name

Market research revealed three small business concerns capable of fulfilling this requirement for 22 SFS Weapon Safes, with one being identified as a HUBZone small business concern. IAW FAR 19.1306 contracting officers shall consider a contract award to a HUBZone small business concern on a sole-source basis before considering a small business set-aside. Due to market research revealing only one HUBZone, the anticipated price being under the SAT, the requirement is not currently being performed by an 8(a) participant, and the CO will determine contractor responsibility in lieu of price fair and reasonableness before any award is issued, the government intends to issue an award on a sole-source basis to the identified HUBZone small business concern IAW FAR 6.302-5(b)(5) authority under the HUBZone Act of 1997 (15 U.S.C. 657a).

Section D: Efforts to Obtain Competition

Market research along with a sources sought posting to the GPE identified three small businesses capable of fulfilling this requirement. One of the small business concerns identified is registered as a SBA certified HUBZone small business concern. Due to only one HUBZone small business concern being identified, and as authorized IAW FAR 6.302-5(b)(5), the government intends to issue a sole source award under the HUBZone Act of 1997.

Section E: Steps to Preclude Future Single Source or Brand Name Awards

Before any future award is made, the market will be re-evaluated to determine if there any additional HUBZone small business concerns capable of fulfilling this requirement.

Section F: Contracting Officer's Determination

I have determined, in accordance with [FAR 13.106-1\(b\)\(1\)](#), that the circumstances of this contract action deem only a single source is reasonably available.
