

This is a notice for all interested parties to perform a site visit concerning the procurement of the “Reverse Engineer Target Generator” at Robins Air Force Base, GA 31098.

NOTE: COSTS INCURRED ARE AT THE INTERESTED PARTY’S EXPENSE. THE GOVERNMENT WILL NOT PAY ANY ASSOCIATED COSTS WITH THE SITE VISIT.

All interested parties should utilize the following information to communicate their intent to attend and should contact the Government Points of Contact (POC) no later than end of day, May 16, 2025:

Name: Scott Josey
Unit: 581st SWES
scott.josey@us.af.mil

Name: Raquel Carrillo
Unit: SWPA
raquel.carrillo@us.af.mil

The date and time scheduled for the site visit is Friday, May 23, 2025 8:30-10:30 AM EST. This will be a two hour visit. The first hour of the visit will be viewing the current target generator while the second hour will consist of discussions in a conference room concerning the requirement. Questions and answers that arise from this site visit will be posted prior to or along with the release of the RFQ/RFP. This will be the only time block available.

All interested parties need to be at Robins Air Force Base Visitor’s Center no later than 7:45 AM EST on Friday, May 23, 2025.

Address:
STAY IN FAR RIGHT LANE
Robins Air Force Base Visitor’s Center
70 Watson Blvd
Bldg 218
Robins Air Force Base, GA 31098

Site Visit Location:
635 Tech Road, Bldg 639
Robins AFB, GA 31098

Visitors should bring their driver’s license, proof of vehicle registration, and proof of vehicle insurance (rental’s only need to provide the rental agreement).

Participants with current CAC cards will not need to go to the visitor center unless they are transporting participants on site that do not have CAC cards.
