Section P: Developmental Assistance Approach

Describe in detail the developmental assistance approach for the Protégé Firm specifying the type of assistance planned. Provide how this approach will address the Protégé Firm’s needs to enhance their ability to perform successfully under contracts or subcontracts within DoD and other Federal agencies.

Engineering and Technical (Technology Transfer) Assistance Approach

Identify and describe the overall engineering and technical assistance (technology transfer) approach, the specific development tasks, and the associated completion timeline to be provided to the Protégé Firm. Information shall include identification and detailed description of the major tasks planned (to the third level), personnel that will be involved, place of performance, and how the mentoring will be performed. Information shall be in alignment with Attachment 3 – Developmental Assistance Approach w/WBS Example. Technology transfer to the Protégé Firm must equate to **at least 50% of the total proposed dollar value** of the proposed effort.

General Business Development Assistance Approach

Identify and describe the overall general business development assistance approach, the specific developmental tasks, and the associated completion timeline to be provided to the Protégé Firm. Information shall include identification and detailed description of the major tasks planned (to the third level), personnel that will be involved, place of performance, and how the mentoring will be performed. Information shall be in alignment with Attachment 3 – Developmental Assistance Approach w/WBS Example. There is **no minimum amount of General Business Development required**.

Indicate if the Protégé Firm needs training for understanding of federal contract language, including understanding the Federal Acquisition Regulations (FAR), Defense Federal Acquisition Regulations Supplement (DFARS), and Department of the Air Force Federal Acquisition Regulations Supplement (DAFFARS).	Yes	No

Section Q: Authorized Subcontractor(s)

Identify and describe the anticipated work effort(s) by all authorized subcontractor(s) such as a Historically Black College & University (HBCU), Minority Serving Institution (MSI), Apex Accelerator (formerly Procurement Technical Assistance Center (PTAC)), Small Business Development Center (SBDC), Women’s Business Center (WBC), Manufacturing Extension Partnership (MEP), or a Manufacturing Innovation Institute (MII) in the anticipated Protege Firm development efforts. The description should clearly identify whether the tasks are engineering and technical (technology transfer) assistance or general business development assistance. MPP agreements may include more than one HBCU, MSI, PTAC, SBDC, WBC, MEP and/or MII in their developmental assistance plan. If there will be multiple authorized subcontractors, identify the individual estimated percentage of the Protégé’s developmental assistance to be performed by individual authorized subcontractors.

Section R: Anticipated Benefits

Identify and describe how the overall anticipated developmental assistance (engineering and technical assistance (technology transfer) and general business development assistance) to the Protégé Firm will: 1) enhance the capabilities of the Protégé Firm to perform as a subcontractor and supplier under DoD, Federal, and/or commercial contracts and subcontracts; and 2) increase small business subcontracting opportunities in industry categories where eligible Protégés or other small business firms are not dominant in the Mentor’s vendor base. Additionally, identify and describe the anticipated benefits to the DoD/Air Force, the Mentor Firm, and the Protégé Firm. Provide how and to what degree the mentoring of the Protégé Firm contributes to and is relevant to Air Force mission requirements. If applicable, provide the current Technical Readiness Level (TRL) and/or Manufacturing Readiness Level (MRL) of the Protégé in the mentoring areas (including engineering and technical assistance and general business developmental assistance) and indicate the anticipated TRL and/or MRL at completion of the agreement.

Section S: Agreement Alignment

Identify and describe how the anticipated developmental assistance approach (identified above in Section P) is in alignment with current DoD and/or DAF requirements as identified in paragraph 6 Goals and Objectives in Section I Mentor-Protégé Program Open Call for Tentative Agreement Packages package. If citing a document identified in paragraph 7 Reference Documents in Section I Mentor-Protégé Program Open Call for Tentative Agreement Packages, identify specific source document used and the corresponding section and page number.

Section T: Protégé Develop Progress:

Identify and describe factors that will be used to assess the Protégé firm’s developmental progress under the agreement.

Section U: Mentor Protégé Workshop:

Identify and describe anticipated plans for execution of at least one small business workshop over the life of the contract. The Workshop should be a minimum of (4) hours focusing on topics relevant to small businesses working in, or wanting to be part of, the Defense Industrial Base (DIB). At a minimum, an overview of the Mentor Protégé program and how to engage with the Mentor must be presented.

Section V: Other Agreement Information

Identify if this anticipated effort has been previously proposed to DoD or another Federal Agency.

Indicate if this Mentor Protégé agreement has been previously proposed to by DoD or another Federal Agency	Yes	No
If yes, indicate to which DoD Military Department or Agency or other Federal Agency it was submitted		

Attachment 1 – DAF MPP Proposed Agreement Information Template

Section X: Comprehensive Needs Assessment

As an addendum to the Tentative Agreement Package (see Comprehensive Needs Assessment template, Attachment 2), demonstrate that a comprehensive needs assessment and plan was performed for the selected Protégé. Provide a narrative summary of the results of the needs assessment and include the completed Comprehensive Needs Assessment template. The needs assessment should focus on the engineering and technical capabilities (technology transfer) and general business management capabilities needed to support the identified DoD and/or AF requirements as described in Section S. Color coding, numeric ranking or similar means of prioritization of the needs assessment results by the Offeror is highly recommended.

Section Y: Key Personnel Addendum

As an addendum to the Tentative Agreement Package (see DAF MPP Key Personnel Addendum template, Attachment 4), include overviews of the key personnel who will perform the work, highlighting their pertinent qualifications and experience. If specific personnel are unidentified, at a minimum must identify anticipated specific labor category.
