

NOTICE OF INTENT TO AWARD SOLE SOURCE

Solicitation Number: M67004-25-Q-0033

Contracting Office: MARCORLOGCOM Contracts Department

Subject: Notice of Intent to Sole Source – Repair and Calibration of FSMR50 Measuring Receiver 50GHz

Synopsis:

Pursuant to FAR 13.106-1(b)(1)(i), the United States Marine Corps (USMC), Marine Corps Logistics Command (MARCORLOGCOM), Contracts Department (CONT), intends to award a sole source firm-fixed-price contract to Rohde & Schwarz USA, Inc. for the repair and calibration of an FSMR50 Measuring Receiver 50GHz.

Vendor Information:

Rohde & Schwarz USA, Inc.
6821 Benjamin Franklin Drive
Columbia, MD 21046
Phone: 888-837-8772
Email: Service.RSA@rsa.rohdeschwarz.com

Destination Information:

Marine Depot Maintenance Command (MDMC)
Production Plant Barstow (PPB)
Barstow, CA 92311

Description of Requirement:

The USMC requires repair and calibration services for one FSMR50 Measuring Receiver 50GHz. The required services include:

- Repair of the product
- 12-month warranty on the entire product
- Full measurement of product specifications
- Calibration certificate with compliance statement
- Preventive maintenance and performance modifications

Justification for Sole Source:

Based on market research conducted, Rohde & Schwarz USA, Inc. is the sole provider of these services due to proprietary rights and exclusive licensing agreements. The FSMR50 Measuring Receiver is a specialized piece of equipment that requires manufacturer-specific diagnostic and repair procedures that cannot be performed by third-party vendors.

Supporting documentation, including the Justification & Approval (J&A) memorandum and Market Research Report, confirms that no other authorized service providers exist for these repairs. The

required services are essential to ensure the proper functioning of the FSMR50 and maintain operational readiness.

NAICS Code: 811210 – Electronic and Precision Equipment Repair and Maintenance

Product Service Code (PSC): J059 – Maintenance, Repair, and Rebuilding of Equipment: Electrical and Electronic Equipment Components

Response Instructions:

This notice of intent is NOT a request for competitive proposals. However, interested parties may submit a capability statement demonstrating their ability to meet this requirement. All responses must be submitted in writing via email to the Contracting Officer at jonathan.n.sanchez@usmc.mil no later than 27 February 2025, 10:00 am EST. Information received will be considered for market research purposes only.

Disclaimer:

This notice is issued solely for informational and market research purposes and does not constitute a solicitation or obligation on the part of the USMC. The Government will not reimburse respondents for any costs incurred in preparing or submitting a response.
