

1. If you are a Small Business, do you believe that you are in a position to be selected as a prime contractor on a full and open requirement?
2. If you are NOT a Small Business and plan to participate on the forthcoming F117 solicitation, what do you think would be appropriate small business subcontracting goal(s)?
3. If you are a Small Business, what is your area of expertise?
4. If you are a Small Business, do you see any small business subcontracting opportunities? Provide what percentage of a specific opportunity you anticipate you would be able to handle with an explanation of rationale. Please include any historical examples.
