

Vendor Questions and Answers

1. Excel Version of a complete Price Schedule is requested to include all annual quantities for each line item to allow for a competitive bid and comparison of offers. Only the incumbent supplier has knowledge of the quantities and this information is required at the government's earliest opportunity to prepare an offer.

Answer: An excel spreadsheet including quantity is provided within the solicitation packet on sams.gov.

2. Upon Amendment and receipt of excel price schedule with all quantities, we would like to perform a site visit and request a site visit date/time.

Answer: A site visit is not provided with this solicitation.

3. Please confirm all of the physical ship to addresses/delivery points.

Answer: All drop-off points are within a quarter of mile to one 1 mile from the hospital and are listed in the statement of objective under para. 1.6.5. All physical addresses will be provided within the contract.
