

STATEMENT OF WORK (SOW)

FOR

Reference Laboratory Testing & Blood Components

1.0 BACKGROUND:

The IHS Parker Indian Health Center, Parker, Arizona, laboratory department is not able to provide all emergent (STAT) laboratory testing that may be needed by the emergency and inpatient departments. Therefore, IHS Parker Indian Health Center has a need for STAT laboratory testing, blood and blood components, and transfusion testing services. These products and services are required to support the mission and patients that IHS supports.

2.0 SCOPE OF WORK:

The contractor shall furnish all supplies, materials, equipment, facilities and services required to perform work as described herein.

2.1 TASKS & REQUIREMENTS

- Products or services shall be available for acquisition 24 Hours a Day, 365 Days a year. STAT laboratory testing includes but is not limited to: Ammonia, Cardiac Markers, PT & PTT, Salicylate, Acetaminophen, Therapeutic Drugs, and Arterial Blood Gases.
- Products or services shall be packed and ready for shipment within one (1) hour for STAT request. Contractor shall endeavor to coordinate prompt transfer of product for shipment or transit and delivery.
- Blood and blood products must be available within a 15-to-20-minute radius of Parker Indian Health Center for emergency transfusion.
- Blood and blood products must be received at proper storage temperature and within expiration date.
- Contractor shall serve as a Reference Lab with the ability to provide ABO/Rh, Antibody Screen/Identification, Crossmatch, DAT, Transfusion Reaction Workup, Packed Red Blood Cells, Platelets, Fresh Frozen Plasma, Cryoprecipitate, and RhoGam.
- Contractor shall provide services on Federal/Observed Holidays
- Contractor shall promptly notify IHS Parker Indian Health Center if they are unable to provide an ordered product or service. The IHS Parker Indian Health Center retains the right to seek these services elsewhere should services not be provided by Contractor.
- The Contractor is responsible for ensuring personnel performing testing possess required credentials commensurate with testing difficulty in compliance with the Clinical Laboratory Improvement Act (CLIA) of 1988. And remain compliant should an updated version be released.

- The Contractor shall provide proof of licensure/accreditation upon request from the IHS Parker Indian Health Center

3.0 HOURS OF OPERATION:

Normal work hours are from 8:00 am to 5:00 pm, Monday through Friday.
Parker Indian Health Center Emergency Department and Inpatient Department laboratory hours of operation is 24 hours a day 365 days a year.

4.0 PERIOD OF PERFORMANCE:

The initial Period of Performance is intended to start June 1, 2025 through May 31, 2026 with four (4) 12-month Option Years. If the Government exercises the options pursuant to FAR 52.217-9, Option to Extend the Term of the Contract (MAR 2000), the period of performance shall be extended in accordance with the following schedule:

<u>Year</u>	<u>Option Period</u>
Option Year 1	06/01/2026 – 05/31/2027
Option Year 2	06/01/2027 – 05/31/2028
Option Year 3	06/01/2028 – 05/31/2029
Option Year 4	06/01/2029 – 05/31/2030

5.0 TECHNICAL POINT OF CONTACT (TPOC):

The TPOC will correspond with the contractor regarding delivery issues, issuance of modification to add funds and ensuring all administrative paperwork is completed as appropriate. The POC does not have the authority to change orders or issue changes that would affect the contract price, terms and conditions or period of performance. The point of contact shall be responsible for the following:

- A. Monitoring the contractor's technical progress, including the surveillance and assessment of performance and recommending to the contracting officer changes to the delivery order;
- B. Performing technical evaluation, as required;
- C. Performing technical (daily and final) inspection and acceptance as required by this delivery order;
- D. Assisting the contractor in the resolution of technical problems encountered during performance;
- E. The point of contact shall certify receipt and order a receiving report from property and supply.

6.0 INVOICE SUBMISSION:

- A. Submit a properly prepared original invoice through secured email and/or to the address below:

Parker Indian Health Center
Attn: Laboratory Manager
12033 Agency Road
Parker, AZ 85344

B. At a minimum, a properly prepared invoice shall include:
