Award/Mod Effective	Version Date
Award	7/1/2023

Contract Number:	N66001-19-A-0049
Task Order Number:	HC102823F0707
Contractor Name	Gartner, Inc.
Tracking Number:	832367017
Follow-on to Previous Contract and Task Order Number:	HQC007-18-F-0013-P0007

1. Contracting Officer's Representative (COR).

- a. Primary COR. See Points of Contact in Contract Administration Data
- b. Property Administrator. N/A

2. Contract or Task Order Title. DeCA IT Advisory, Research, and Analysis Services.

3. Background. The Defense Commissary Agency (DeCA or Agency) seeks a contractor to provide Information Technology (IT) Advisory, Research, and Analysis Services for a base year, plus four option years.

4. Objectives: The Agency seeks subscription/licenses that provide t IT Advisory, Research, and Analysis Services of an independent organization with professionally skilled staff to support the CIO and other IT Executives for the purpose of providing tailored and specific expert information in support of the Agency's strategic and tactical plans. Research and analysis shall include: Strategic and tactical information technology to encompass supply chain and grocery retail technology research, with on-going analyst advice and support.

5. Scope. DeCA seeks IT advisory, research, and analysis services for the latest in retail grocery technologies, life cycle, and transformation of its business models.

6. Performance Requirements.

6.1 Task 1 – IT Team Leader Advisor Services.

6.1.1 Narrative. IT Team Leaders Advisor services are required, which enables access to research and analysts related to various IT-roles for the *Executive* leadership team, functioning in a retail-oriented environment. The contractor will provide the technical subject matter expert information in support of the Agency's strategic and tactical plans, by maximizing tools and research listed below:

- Provide IT Research Documents (Strategic Planning, Cost Optimization, Benchmarking, Product Decisions, Critical Capabilities, Magic Quadrant, Hype Cycle, BuySmart, Digital IQ).
- Provide role-specific IT research documents (templates and frameworks).
- Host Analyst Webinars.
- Facilitate technology discussions.
- Provide awareness for major events and symposiums.
- Share Peer Networking Opportunities.
- Identify IT Key Metrics Data.
- Highlight Diagnostic Tools, Templates, and Case Studies.

- Deliver Analyst Inquiry Responses (sessions with analyst; session with analyst & IT Leadership Team member(s)).
- Provide Selected Vendor Reports.
- Respond to Team Leader Inquiries (via telephone, email, or knowledge portal).
- Provide Weekly Picks and News Analysis.
- Deliver Key Insights Document Shares.

6.1.2 Constraints. Services will be delivered from the Contractor location via telephone, email, and knowledge portal (available through secured internet access). Knowledge portal availability and access is 24-hours daily (with exceptions for planned maintenance outage windows). Telephone and email service delivery is expected during Agency-core hours (9am-3pm ET, Monday-Friday).

6.1.3 Requirement. The Team Leader may forward research documents to others in the Agency.

6.2 Task 2 – IT Team Member Services.

6.2.1 Narrative.

IT Team Member Services are required, which enables access to research and analysts related to *specific* IT-roles, functioning in a retail-oriented environment. The contractor will provide the technical subject matter expert information in support of the Agency's strategic and tactical plans, by maximizing tools and research listed below

- Provide IT Research Documents (Strategic Planning, Cost Optimization, Benchmarking, Product Decisions, Critical Capabilities, Magic Quadrant, Hype Cycle, BuySmart, Digital IQ).
- Provide role-specific IT research documents (templates and frameworks).
- Host Analyst Webinars.
- Share Peer Networking Opportunities.
- Identify IT Key Metrics Data.
- Highlight Diagnostic Tools, Templates, and Case Studies.
- Provide Selected Vendor Reports.
- Provide Weekly Picks and News Analysis.
- Respond to Team Inquiries.
- Facilitate Technology Discussions.

6.2.2 Constraints. Services will be delivered from the Contractor location through the knowledge portal (available through secured internet access). Knowledge portal availability and access is 24-hours daily (with exceptions for planned maintenance outage windows).

6.2.3 Requirement. Team Members shall have the ability to open an unmetered number of Weekly Picks, News Analysis, and Webinars; and (2) is entitled to access the research documents, as follows:

Shared Document Allocation – shared access to a total document allocation of the contractor's research documents times the number of Agency Team Members.

Reversals – up to 20 reversals during the contract term.

Specifically, the services provided shall allow inquiry sessions, by leading the discussion or posing questions to the Analyst on their behalf or on behalf of the team, provided the sessions are scheduled and attended by the Team Leader to advance the Team Leader's agenda.

7. Performance Standards.
