DESCRIPTION

The following provides clarification to amendment 5's direction to provide VAAR 852.219-75 (January 2023) (Deviation) to meet mandatory certification requirements to be eligible for evaluation:

- 1- Please submit VAAR 852.219-75 (January 2023)(Deviation) as a separate document, or as an addition to the already submitted SF330.
- 2- This is not an opportunity to revise other aspects of your SF330.
- 3- No other language, or version will be accepted other than VAAR 852.219-75(January 2023)(Deviation).
- 4- VAAR 852.219-75 (January 2023)(Deviation) does NOT count against any page limit requirements as it is not listed under page limits.
- 5- Amendment 5 and this amendment do not reopen the question-and-answer period for this requirement.
- 6- VA will not verify for firms if they have already met the submittal requirements; it is up to a firm to review its own submission.
