- ☒ Other **ability to produce large enough quantity**

SECTION 5: DEMONSTRATION THAT THE PROPOSED CONTRACTOR'S UNIQUE QUALIFICATIONS OR THE NATURE OF THE ACQUISITION REQUIRES USE OF THE AUTHORITY CITED

The Institute for Daughter of Mary Christians is recommended as the sole source provider for diapers, feminine pads, soap, and baby blankets, based on its unique qualifications and proven track record. This organization has consistently demonstrated the capability to meet the quality and specifications required by our programs, alongside timely delivery. Importantly, it stands as the only entity within Cotonou capable of mobilizing the necessary resources for producing large quantities of custom products.

Further supporting this justification, OSC Benin has conducted thorough outreach to several other NGOs and vendors in the region. None were able to fulfill the comprehensive requirement for all reusable items specified. The Institute for Daughter of Mary Christians distinguishes itself by being the only organization capable of coordinating multiple local vendors to complete such a substantial order.

Additionally, their commitment to utilizing locally sourced materials and labor ensures that the production of these kits not only meets our needs but also supports local economic development and community empowerment. Given these unmatched capabilities and its alignment with our objectives, the Institute for Daughter of Mary Christians is justifiably the sole source provider for these materials.
