MAINTENANCE, REPAIR, AND OPERATIONS (MRO) PROGRAM**

1. Defense Logistics Agency (DLA) Troop Support, Construction and Equipment Supply Chain, is the contracting activity.
 2. The action being approved is the award of DLA requirements on an Other than Full and Open Competition basis.
 3. The proposed acquisition is for a bridge contract for a period of 442 days to provide for the purchasing of facilities maintenance, repair, and operations (MRO) materials and other supplies including, but not limited to: Heating, Ventilation, and Air Conditioning (HVAC); plumbing supplies (including bath and shower items); electrical products (including generators, wire, connectors, sockets, outlets, lights, etc.); tools of various kinds; chemical, lubricating, and rubber products and products including same; construction supplies (including but not limited to cement, lumber and plywood, bricks, blocks, steel, aluminum, and other metal products, conduits, prefabricated structures, etc.); perimeter security items such as barriers, barbed wire, concertina wire, and sand bags (also used for erosion prevention); communication devices (such as walkie-talkies, two-way radios, etc. used by maintenance personnel); and various other MRO supplies and incidental services needed by war-fighters stationed in the Hawaii Region. The proposed maximum dollar value [REDACTED] is \$99.9 million for a period of 442 days. The original five (5) year contract for this region, SPE8E3-14-D-0001, was awarded to Science Applications International Corporation (SAIC) with an effective date of September 15, 2014; the contract expired on September 16, 2019. The first bridge contract for this region, SPE8E3-19-D-0015, was awarded with an effective date of September 15, 2019, and expired on December 14, 2020. The second bridge contract for this region, SPE8E3-21-D-0003, was awarded with an effective date of December 15, 2020, and expired on December 14, 2021. The third bridge contract for this region, SPE8E3-22-D-0006, was awarded on December 15, 2021, and expired on January 14, 2023. The fourth bridge contract, SPE8E3-23-D-0014, was awarded on January 15, 2023, and expired on April 14, 2024. The fifth (current) bridge contract, SPE8E3-24-D-0010, was awarded on April 15, 2024, and is set to expire on June 15, 2025. A modification was issued on March 25, 2025 to increase the maximum dollar value of the fifth bridge contract due to increased requirements that were not anticipated at time of award. The proposed action will be the sixth bridge contract for the Hawaii Region.

6. This requirement will be published to Contract Opportunities. In addition, this justification will be made available for public inspection after award, in accordance with FAR 6.305.
7. As the Contracting Officer, I hereby determine that the anticipated cost to the Government will be fair and reasonable based on price analysis, including comparison to available commercial pricing, General Services Administration (GSA) pricing, and other Government contracts.

[REDACTED]

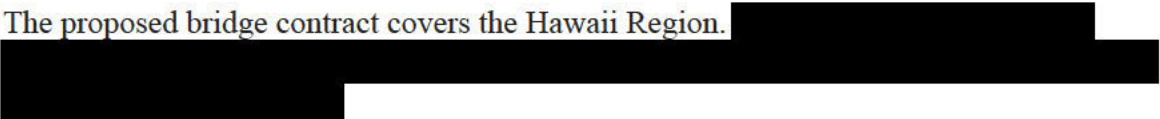

8. With the exception of synopsising this requirement, no additional market research will be conducted, and no other firms will be solicited since the required supplies and services are only available from the incumbent contractor in the required timeframe.

9.

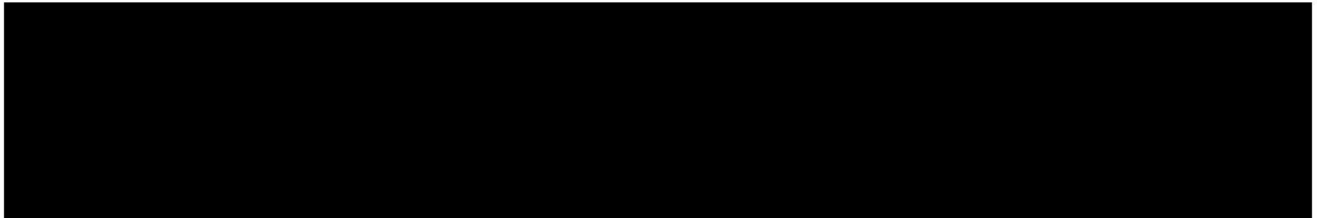

10. While no sources have expressed a written interest in this acquisition, it is anticipated that AFFL will be interested in this bridge contract.

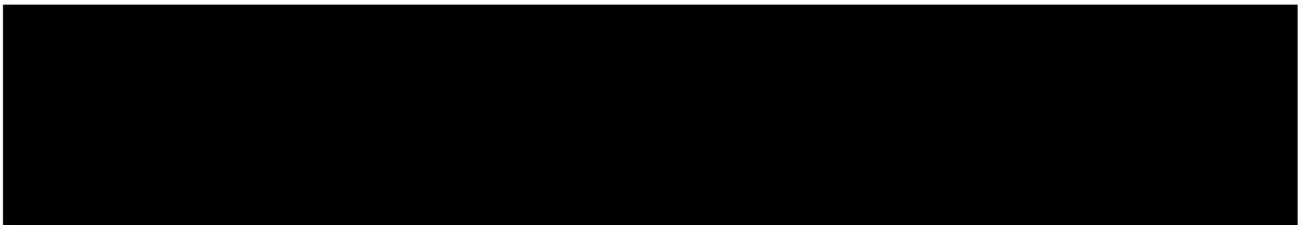

11. The proposed bridge contract covers the Hawaii Region.

12. As the Contracting Officer, I hereby certify that this justification is accurate and complete to the best of my knowledge and belief.

I hereby certify that the requirements which form the basis of this justification are accurate, that these supplies meet the Government's needs in accordance with applicable specifications and that this justification is accurate and complete to the best of my knowledge and belief.

I have reviewed and hereby approve this justification.
