

Page 1 of 3

☐ **Compatibility to existing systems or equipment.** The required supplies or service must be compatible in all aspects (form, fit, and function) with existing systems or equipment and the source is uniquely qualified to meet the requirement.

Describe the current system or equipment and the manner in which the new item/service must coordinate, connect, or interface with the existing system or equipment. Describe how other companies' similar product(s) do not meet, or cannot be modified to meet, the agency's needs.

N/A

☐ **OEM Exclusive Licensing Agreement.** The item or service is only available from the Original Equipment Manufacturer (OEM) or there are authorized distributors/resellers or technical representative for the OEM.

☒ **Restrictive Rights.** The source has established propriety rights, limited rights in data, patent rights, copyrights or secret processes in the item or service required.

Explain what rights are restricted, why the restrictive rights make the required item or service available from only one source and why another company could not satisfy the Government's need.

The rights and privileges are not transferable and restricted to [REDACTED]

☒ **Sole Source.** Only one source is capable.

Identify any other reason not identified above as to why only the single source is capable of providing the supplies or services required at the level of quality required because the supplies or services are unique or highly specialized. Provide details on mission impact if the requirement is not solicited from the single source.

The rights and privileges are not transferable and restricted to [REDACTED] The Society may approve or adopt any report, standard, code, recommended practice, or related conformity assessment program but shall forbid and oppose the use of its name and proprietary symbols in any commercial work or business, except to indicate conformity with its standards or recommended practice

☐ **Urgent Acquisition.** Supplies or services are of such unusual and compelling urgency the Government would be seriously injured unless the agency is permitted to limit the number of sources from which it solicits quotes or proposals.

Date on which requirement was first identified:

Required delivery date:

Explanation of why delivery by that date is required and describe the compelling nature of the urgency and how the Government will be seriously injured if this requirements is not purchased immediately.

Technical/Requirements Certification:

I certify that the information provided is accurate and complete to the best of my knowledge and belief.

Customer Signature:

Date: 4/16/25

C400 Procurement Contracting Officer Approval:

I reviewed and certify that the customer's justification is accurate and complete to the best of my knowledge. I understand that the processing of this urgency justification precludes the use of full and open competition.

Contracting Officer Signature:

C400 Approval Authority One Level Above Procurement Contracting Officer:

I certify that this justification meets requirements for other than full and open competition.
