1. Nature and/or description of the item/service being procured and its intended use (include the anticipated cost):

Isle Royale National Park's logistics and passenger vessel RANGER III is in need of a temporary licensed mariner from a maritime staffing agency to fill the vacant position of Chief Engineer aboard the vessel. The position of Chief Engineer is required for operation of the vessel per the RANGER III Certificate of Inspection, issued by the US Coast Guard. It is anticipated costs will be approximately \$900 per week.

2. Justification rationale (Check one and explain below):

☐ **Only one responsible source.**

☐ **Urgent and compelling circumstances exist.** Include critical delivery or performance dates, and when you became aware of the requirement. Provide a specific statement of the impact on Government operations, financial or otherwise, if the required delivery or performance dates are not met.

☒ **Other**

Explain:

Urgent and compelling circumstances exist to where the Government would be injured if the agency complied with the time periods specified in FAR 5.203. A pre-solicitation synopsis will not be used IAW FAR 5.202(a)(2). Adequate completion is expected however IAW FAR 13.104(b).

3. Market Research. Please explain the results or why one was not performed. State whether any other offers were received or anyone expressed interest:

The requiring activity has called many vendors has found a few that could meet the requirements of the Statement of Work. Services can not be acquired through any mandatory sources or FSSs. The Contract Officer has located additional small businesses that should be able to meet the requirement and has made the determination that adequate competition should be received if solicited as a total small business set aside.
