FY25 KYNG Youth Camp – Camp Loucon, Leitchfield, KY

b. Description of Requirement

The KYARNG Child and Youth Services Office has requested approval to conduct the 2025 KYNG Youth Camp from 26 July to 1 August 2025. The purpose of the camp is to implement the provisions listed in DoDI 6060.4 and CNGBI 1800.02 by providing direction for youth during deployment, sustainment, redeployment, reunion, emergencies, and mobilization and to enhance the overall sustainment of the military family.

c. Demonstrate, in Detail, Why This Specific Item or Service, is the Only One That Meets Your Requirements

Camp Loucon provides a conducive environment supporting the resilient life skills youth need coping with deployments and daily military lifestyle at a reduced cost compared to other government facilities within the State. Thus, the recommended venue was determined to be the most cost effective along with providing the best value to the government. Camp Loucon is our best and most cost effective option compared to any other available resources and locations in the Commonwealth. In addition to cost, it has the capacity to host 112 campers, 45 volunteers, and 2 contractors. During normal operations conditions, this venue is also the most appropriate venue because it has the required training facilities in one location to support a "camp like" setting for the children in attendance. A CBA memorandum can be provided, if required, with more information.
