SOCET GXP is an advanced geospatial intelligence software solution that utilizes imagery from satellite and aerial sources to identify, analyze, and extract ground features, allowing for rapid product creation. Image analysis, advanced photogrammetric techniques, remote sensing, and feature collection workflows are seamlessly combined into one streamlined package.

Item	Product	Part #	Quantity	List Price	Discounted Price	Extended Price
01	SOCET GXP GeoAnalysis Bundle UE	4004-UE	20			

4. Justification Rationale for Use of Sole Source (Brand Name)

The BAE Systems Socet GXP is the US Army's approved GEOINT Analysis Electronic Light Table (ELT) used for Geospatial Intelligence Analysis production. No other ELTs are currently approved for use in the US Army.

5. Market Research and Interested Sources

Market Research was conducted and there are no other vendors who can provide the required items as this is provided solely by BAE Systems; this is already on the GSA schedule (GS-35F-351DA). Quote was requested by DLA Distribution San Joaquin, point of contact [REDACTED]. The period of performance will be June 1, 2025 through May 31, 2026. Software should be available to customer on June 1, 2025. This is for use in support of Army TENCAPs RDTE efforts in space-based Geospatial Intelligence (GEOINT) analysis modernization. Socet GXP is the US Army's approved GEOINT Analysis Electronic Light Table (ELT) used for Geospatial Intelligence Analysis production.

6. Determination

Systems' SOCET GXP is the US Army's only approved GEOINT Analysis Electronic Light Table (ELT), it is only sold by BAE Systems, and it is available on their current GSA Schedule GS-35F-351DA.

Therefore, this requirement will be specified as a Single Source

7. Other Supporting Facts

N/A

8. Fair and Reasonable

A determination of price reasonableness will be made by the Contracting Officer at the time of award. The determination will be documented in a Price Reasonableness Memo.

9. Certification, Review, and Approval

The following endorsements/approvals are to be provided for the Justification.
