DESCRIPTION

See attached document: Intent to Sole Source.

Special Notice

The Department of Veterans Affairs, Network Contracting Office 07 (NCO 07), hereby provides notice of its intent to award a sole source, firm-fixed-price base and options contract for GE MUSE Service Agreement to GE Medical Systems Information Technologies, 9900 W INNOVATION DR, WAUWATOSA, WI 53226. The contract is expected to be awarded under the authority of 41 U.S.C. 3304(a)(1), as implemented by FAR 13.106-1(b) – Soliciting from a Single Source. A Justification for Single Source Awards for Other Than Full and Open Competition has been prepared. The anticipated award date is May 15, 2025.

The contractor shall provide the following for the MUSE NX cardiology information management solution: software maintenance, technical support, installation support, clinical application support, software upgrades, and software quality updates. Tasks under this requirement shall be performed at all VISN 7 VAMCs or remotely at Contractor facilities. VISN 7 utilizes two server hubs for MUSE NX, one in Birmingham, Alabama, for the central time zone locations, and one in Columbia, South Carolina, for the eastern time zone locations.

The contractor shall provide maintenance, bug fixes, upgrades, customer support, troubleshooting, and repairs to all MUSE NX software and interfaces for VISN 7. Services shall include the GE Healthcare AssurePoint MUSE Performance offering on an annual basis, with remote or on-site services for maintenance, technical support, installation support, clinical application support, software upgrades, and software quality updates.

NAICS code: 541519 (Other Computer Related Services) (size standard of \$30 million).
PSC: DA10 (IT and Telecom—Business Application/Application Development Software as a Service).

THIS NOTICE OF INTENT IS NOT A SOLICITATION OR REQUEST FOR COMPETITIVE QUOTES. However, interested parties may identify their interest and capability to respond to this requirement within three (3) calendar days after publication of this notice. A determination not to compete this requirement, based upon responses to this notice, is solely within the discretion of the Government. Information received will normally be considered solely for determining whether to conduct a competitive procurement. The Department of Veterans Affairs will NOT be responsible for any costs incurred by interested parties in responding to this notice of intent. Only written responses will be considered. All responses from responsible sources will be fully considered. As a result of analyzing responses to this notice of intent, the Government shall determine if a solicitation will be issued. Any prospective contractor must be registered in the System for Award Management (SAM) to be eligible for award and must submit a current authorized distributor letter from the manufacturer.

All Service-Disabled Veteran Owned and Veteran Owned Small Businesses must submit a self-certifying statement that their company meets all criteria established IAW 13 CFR 121.406(b)(1)(i) through (b)(1)(iii) thus demonstrating compliance with the Non-Manufacturer Rule. Interested parties are encouraged to furnish information by email only with “RESPONSE TO INTENT TO SOLE SOURCE 36C24725Q0578” in the subject line. All documents submitted will not be returned. All interested parties shall submit clear and convincing documentation demonstrating their capabilities to satisfy the requirements listed above to the Contract Specialist, Amanda Luckie, by email at Amanda.Luckie@va.gov, NO LATER THAN April 28th, 2025, @ 3:00 PM EST. The capability documentation should include general information and technical background, describing in detail the prospective contractor's capabilities and experience that will demonstrate the ability to support these requirements.
